Article 3. Work and Education

3040. Participation.

(a) Every able-bodied person committed to the custody of the Director of Corrections is obligated to work as assigned by department staff and by personnel of other agencies to whom the inmate's custody and supervision may be delegated. Assignment may be to a full day of work, education, or other program activity, or to a combination of work and education or other program activity.

(b) Inmates assigned to a physical fitness program as part of a work incentive program shall be held to the same obligations/participation requirements governing other vocational, educational, or work assignments.

(c) A classification committee shall assign each inmate to an appropriate work, education, vocation, therapeutic or other institution program, taking into account the:

- (1) Inmate's expressed desires and needs.
- (2) Inmate's eligibility for and availability of the desired work or program activity.
- (3) Institution's security and operational needs.
- (4) Safekeeping of the inmate.
- (5) Safety of persons and the general public.
- (d) Despite an inmate's assignment to a program mutually agreed upon in a classification committee hearing, or pending such

a hearing, or pending assignment to a designated program, or during any period when the designated program is temporarily suspended, or in the absence of the inmate's agreement to participate in any program activity, any able-bodied inmate may be assigned to perform any work deemed necessary to maintain and operate the institution and its services in a clean, safe and efficient manner. Operational needs may always override a program assignment.

(e) Inmates assigned to clerical duties and office work positions, requiring an extensive amount of staff/inmate interaction, such as clerks and teachers' aides, shall be rotated at regular intervals to other positions within the institution even though that may result in lower pay or no pay at all to the inmate being rotated out of the position. The institution head shall determine the rotation schedule based upon security needs of the institution. Assignments to such positions shall not exceed a two-year period. Routine rotation shall not affect the inmates' work/training group designation, although it may divest the inmate of a paid position. Inmates not rotated directly to another position shall continue to earn "S" time pursuant to Section 3045.3(b)(14).

(f) Any staff request for removal of an inmate from a program shall be submitted to the inmate's correctional counselor on a CDC General Chrono Form. The counselor shall refer the request to a classification committee for consideration and action. If a request is for cause, defined as behavior that would result in loss of participation credit pursuant to section 3043.2(a), the inmate may be temporarily relieved of the position and denied pay (if a paid position), pending classification committee action.

(g) Work assignments, in lieu of enrollment and participation in education, vocational, therapeutic or other institution program assignments, may be made with or without the inmate's consent by a classification committee, a staff member designated as an inmate assignment officer, or by any staff member responsible for the supervision of an unassigned inmate.

(h) Inmates who have a history of computer fraud or abuse, including documented institutional disciplinary action involving computer fraud or abuse, shall not be placed in any vocational or work assignment that provides access to a computer.

(i) A job description shall be developed for each inmate work/training position, establishing the minimum standards of acceptable participation and performance and the possible consequences of failure or refusal to meet the standards. The inmate shall sign a copy of the job description, indicating acceptance of the conditions of employment, and shall receive a copy.

(j) The allocation of paid inmate work/training assignments on an institution-specific basis shall be made by the institution's inmate pay committee. Each institution shall administer an inmate pay program consistent with the budget allotted for such assignments. As directed and in accordance with section 3380, Department and institutional inmate pay committees shall administer inmate rate and wage matters subject to these regulations.

(k) An inmate's assignment to a paid position is a privilege dependent on available funding, job performance, seniority and conduct. These factors shall be criteria considered in determining an inmate's eligibility for pay earning status and rate of pay.

(l) The following inmate assignments shall not be considered paid work/training assignments.

(1) Inmate advisory council members (except the chairperson and secretary).

(2) Vocational student assignments (however, exceptions may be made where the inmate is enrolled in a bona fide apprenticeship program or performs work that provides a benefit to the institution and/or public).

In instances where any inmate serving a sentence prior to January 1, 1983 was not provided with an opportunity to sign a credit waiver, the waiver shall be effective on the date the inmate would otherwise have been eligible because of a qualifying work/training assignment. Accepted waivers shall be irrevocable.

(e) A waiver shall not be accepted from an inmate within 30 days of their release date or if the waiver is retroactive and recomputation of sentence credits would make the inmate overdue for release.

1. Case records and staff shall deduct the necessary ETO and calculate time credits based on the inmate's work or training group status.

With the exception of inmates assigned to Work Group F, such injured inmates shall retain their existing work group status until medically approved to return to their work assignment. Inmates assigned to Work Group F shall revert to Work Group A-1 effective on the date the chief medical officer determines the on-the-job injury excludes the inmate from conservation camp placement providing the chief medical officer's exclusion determination is within 29 days following the date of the inmate's removal from the conservation camp assignment. If the chief medical officer's exclusion determination is not within 29 days following the date of the inmate's removal from the conservation camp assignment, the inmate shall revert to Work Group A-1 effective the 30th day following the date of the inmate's removal from the conservation camp assignment.

(B) Excessive distance. When a visitor must travel a distance of 250 miles or more, and has not visited the inmate within the last 30 days.

(C) Weddings. When an inmate marries, the inmate may, with five working days prior approval, use ETO for a visit on the wedding day.

(D) Handicapped. When a visitor is handicapped as defined by California law and must rely on special transportation to the institution. Approval is required five working days prior to the visit.

(E) Family emergencies. When death, serious illness or injury occurs to an inmate's immediate family member, clergymen, family members or close friends may visit the inmate to offer condolences or inform the inmate of the occurrence.

(F) Infrequent visits. When a visitor unexpectedly arrives who has not visited in the last six months, the visit will be considered an infrequent visit.

(G) Visiting during authorized absence. An inmate shall be permitted to visit using ETO during approved periods away from assignment involving circumstances beyond the inmate's control. (Refer to section 3045.3 of these regulations.)

(H) Work assignment conflicts. When the inmate has not received a visit in the last 30 days and would otherwise be prohibited from visiting because of a conflict in work, training, or education assignment.

(g) Inmates assigned to work/training Group A or B will not forfeit excused time off as a result of a disciplinary or as the result of the inmate voluntarily changing his/her work group.

(a) Informal level. The informal level is that at which the appellant and staff involved in the action or decision attempt to resolve the grievance informally.

(1) Unless excepted pursuant to subsection (3) evidence of an attempt to obtain informal level review is required before an appeal may be accepted for formal review.

(2) When an appellant attempts to resolve an appeal at the informal level, the employee contacted by the appellant shall review and if practical resolve the grievance. The employee shall report the action taken in the response space provided on the appeal form, and shall sign and date the form.

(3) The informal level shall be waived for appeal of:

(A) Classification committee actions.

(B) Serious disciplinary infractions.

(C) Classification staff representative actions.

(D) Departmental regulations, policies, or operational procedures.

(E) Exceptional circumstances defined in section 3084.7.

(1) A policy or procedure implemented by the institution head.

(2) A policy, procedure or regulation implemented by the department.

(3) An issue, which cannot be resolved at the division head's level; e.g., appeal of a regular transfer.

The second formal level, with the exception provided in section 3084.7(d)(4)(B), shall be completed prior to the appellant filing at the third formal level.

(d) Third formal level. Third level is for review of appeals not resolved at second level with the exception provided in section 3084.7(d)(4)(B).

(e) Appeal review. Formal appeals shall not be reviewed by a staff person who participated in the event or decision being appealed, or who is of lower administrative rank than any participating staff, or who participated in review of a lower level appeal refiled at a higher level.

(1) Second level review shall be conducted by the institution head or regional parole administrator, or their designee. Institution heads and regional parole administrators are not prohibited from reevaluating their own decisions or actions at the second level, and shall respond to appeals filed against them personally for allegations of peace officer misconduct.

(2) Third level review constitutes the director's decision on an appeal, and shall be conducted by a designated representative of the director under supervision of the chief, inmate appeals.

(f) Interview requirements. A personal interview shall be conducted with the appellant at the first level of review unless:

(1) First level was waived. In such case a personal interview shall be conducted with the appellant at the second level.

(2) The reviewer has decided, before interviewing the appellant, to grant the appeal.

(3) The appellant is not present at the institution where the appeal was filed. In such case, a telephone interview with the appellant shall meet the interview requirement.

(A) If the appeal concerns a disciplinary action, the telephone interview may be waived if the appeals coordinator determines an interview would not provide additional facts.

(B) If the appellant is not available for telephone interview, the reviewers shall request the caseworker in the jurisdiction where the appellant is located to complete the interview and provide a written report.

(g) Written response. At each level of review not waived, the original appeal shall be returned to the appellant with a written response stating the appeal issue and reasons for the decision.

(h) Disciplinary appeals. When procedural or due process requirements provided inmates in disciplinary proceedings have been violated, one of the following remedies shall be considered:

(1) The original disposition shall be vacated and the charges dismissed if the reviewer determines that the findings of the disciplinary hearing were not supported by the evidence presented at the hearing and any of the following circumstances are evident:

(A) The charge was based on information later determined to be false or unsubstantiated.

(B) A new hearing would not likely produce additional information.

(C) Elapsed time makes it unlikely the accused can present an adequate defense.

(D) Witnesses whose absence would prevent the accused from presenting an adequate defense are no longer available.

(2) The original disposition shall be vacated and a new hearing ordered if the reviewer determines that any of the following requirements were not met:

(A) The accused was not given copies of required documents within specified time limits before the hearing and did not waive the time limits.

(B) The charges were based on confidential information and the accused was not given a copy of the CDC Form 1030 (Rev. 12/86), Confidential Information Disclosure.

(C) Confidential information was used and the disciplinary findings did not address the reliability of the source and the validity of the information.

(D) The accused was denied witnesses, or when security was an issue, denied statements of witnesses, which would, in the opinion of the reviewer, have contributed significant information.

(E) The accused was not allowed to speak or present documentation in their own defense.

(F) The accused was not assigned a staff assistant or interpreter if required.

(G) An investigative employee was not assigned if required, or if assigned, the investigative employee did not adequately perform their task and it appears that such an investigation would have assisted the accused or hearing officials.

(3) When a disciplinary charge is ordered reheard, a new CDC Form 115 shall be written and processed. The disciplinary time constraints shall begin on the date the new CDC Form 115 is written except when an inmate is being returned to a facility for a disciplinary rehearing, the time constraints shall begin upon the inmate's return to that facility.

(i) Delay in Disposition. An administrator may delay for up to 90 days the implementation of a decision affecting an appellant when such delay will not threaten institution security, the safety of any person, or create a serious operational problem.

(f) Effective January 1, 2007 and thereafter, when an inmate owes any obligation pursuant to a restitution fine imposed by a court, the department shall deduct 50 percent or the balance owing, whichever is less, from the inmate's wages and trust account deposits regardless of the source of such income subject to the exemptions enumerated in subsection (j). In addition, an administrative fee of 10 percent of the deduction shall be deducted to reimburse the department for its administrative costs, for a maximum deduction of 55 percent. The amount deducted, less the administrative fee, shall be transferred to the California Victim Compensation and Government Claims Board for deposit in the Crime Victims' Restitution Fund in the State Treasury. The inmate shall be credited for the amount deducted, less the administrative fee, against the amount owing on the fine.

(g) When an inmate owes both a restitution fine and a direct order of restitution from a sentencing court, the department shall collect on the direct order(s) of restitution first. Upon satisfaction of the direct order(s) of restitution, collection of any unsatisfied restitution fine(s) shall commence until paid in full.

(h) Fines and direct orders of restitution shall be collected from inmates/parolees who owe restitution while the inmate/parolee remains under the jurisdiction of the department, with certain exceptions, set out in subsection (j).

(i) Fines and direct orders of restitution may be collected from inmates and parole violators housed in a Reception Center, Community Correctional Center, Community Correctional Facility, Community Correctional Reentry Center, Restitution Community Correctional Center or Return to Custody Substance Abuse Treatment Facility. Fines and direct orders of restitution may also be collected from inmates in the Community Prisoner Mother and Family Foundations Programs.

(j) Joint Venture Program deposits, funds designated to pay the costs of a family visit ("family visit funds"), Temporary Community Leave funds, federal disability payments, veteran benefits, any reimbursement to an inmate as a result of a claim for lost or damaged property, or money reimbursed to an inmate due to a failed attempt to purchase merchandise are exempt from deductions for fines and direct orders of restitution enumerated in subsections (a), (b), (c), (d), (e), and (f).

(k) Family visit funds and Temporary Community Leave funds shall be so designated by the sender on Form 1839 (Rev. 5/97), Exemption of Family Visit/Temporary Community Leave Funds From Restitution Fines/Orders, to be completed in its entirety and

returned to staff with the appropriate funds. Any funds received for either of these two purposes that are not accompanied by the prescribed form, properly completed, shall be deposited in the inmate's trust account and shall be subject to a deduction for restitution pursuant to subsections (a), (b), (c), (d), (e), and (f).

(l) Existing funds from the inmate's trust account can be used to pay for a family visit or a Temporary Community Leave. Upon the inmate's request, a hold will be placed on a specified portion of these funds to pay for the upcoming family visit or Temporary Community Leave. The inmate shall not use these designated funds for any other purpose other than the planned family visit or Temporary Community Leave. Should the family visit or Temporary Community Leave not take place then the hold previously placed on the funds shall be removed and no restitution deduction shall be made.

(m) If the family visit does not occur, then the funds designated for the family visit on Form 1839 (Rev. 5/97), shall have a permanent hold placed on them in the inmate's trust account for a future family visit or until the inmate is released on parole. Should the inmate transfer to another institution, the hold shall be removed, the funds deposited into the inmate's trust account, and no restitution deduction shall be made.

(n) If the Temporary Community Leave does not occur, then the funds designated for the leave on Form 1839 (Rev. 5/97), shall be refunded to the sender.

(o) Any remaining balance on the Temporary Community Leave fund for a Temporary Community Leave that took place shall be refunded to the sender.

(b) All incoming packages and mail addressed to an inmate will be opened and inspected before delivery to the inmate. The purpose of inspection will be to receive or receipt any funds enclosed for deposit to the inmate's trust account; to verify and record the receipt of permitted personal property; and to prevent the introduction of contraband.

Any exceptions must be authorized by the institution head.

(2) Publications must be addressed to an individual inmate except for donations to the institution as otherwise permitted by these regulations and local procedures.

(3) A publication received through the U.S. mail from the publisher or book store shall be excluded for the reasons stated in Section 3006(c).

(4) Nothing in this section shall be construed as limiting a facility's right to inspect nonconfidential material and to limit the number of publications an inmate may possess at one time.

Inmates may not participate in any contest advertised in or sponsored by the media when a financial obligation is involved, or when such participation will result in an expense to the facility beyond the routine cost of processing mail. (a) The approval to correspond will remain in effect even though one or both of the inmates is transferred to another facility of the department. Any such restriction

3142. Processing of Outgoing Confidential Mail.

In order to be accepted and processed as confidential correspondence, an inmate's letter must comply with all of the following requirements:

- (a) The letter must be addressed to a person or to the office of a person listed in Section 3141.
- (b) The inmate's name and the address of the facility must be included in the return address appearing on the outside of the envelope.
- (c) The word "confidential" must appear on the face of the envelope. Failure to do this will result in the letter being processed as regular mail or being returned to the inmate if for any reason the mail cannot be processed as regular mail.
- (d) Approved facility mail procedures may require either of the following procedures:

- (1) The envelope must be sealed by the inmate before it is turned over to a staff member for mailing; or
- (2) The envelope must be sealed by the inmate in the presence of a designated staff member before it is accepted for mailing.
- (3) Either procedure may be applied to the outgoing confidential mail of all inmates of a facility; only designated classifications of inmates within a facility; to all of an individual inmate's mail; or only to correspondence between an inmate and a specific correspondent.
- (4) The procedure to apply at each facility will be stated in the facility's mail procedures and such procedures shall be conspicuously displayed at appropriate locations throughout the facility. Improperly sealed or unsealed letters bearing a confidential notice will be returned to the inmate.

3143. Processing Incoming Confidential Mail.

Incoming letters bearing the name or title and a return address of persons and the office of persons listed in Section 3141 will be processed as confidential correspondence. This includes franked mail from governmental officials listed in Section 3141. A notice or request for confidentiality is not required on the envelope. Such incoming confidential mail will not be read by any staff member before or at the time the letter is delivered to the inmate, except as described in Sections 3138 and 3144(a). Incoming correspondence bearing only a department or agency return address without any

reference to the name or title of the officials or persons listed in Section 3141 will be processed by designated employees as nonconfidential correspondence.

NOTE: Authority cited: section 5058, Penal Code. Reference: section 2601, Penal Code.

3144. Inspection of Confidential Mail.

To determine the possible presence of contraband all incoming confidential mail will be inspected prior to delivery to an inmate. Confidential mail will be opened and inspected for contraband only and only in the presence of the inmate addressee. Inspecting correctional officials will not read any of the contents of the confidential mail. Outgoing confidential mail may be inspected, with or without opening the mail for cause only.

(a) Cause may include, but is not limited to, the reasonable belief by correctional officials that the letter is not addressed to or is not from an official or office listed in Section 3141 or when other means of inspection indicates the presence of physical contraband in the envelope. In such instances the mail will be opened in the presence of the inmate for determination.

(b) Upon determining that the envelope contains prohibited material or that there is a misrepresentation of the sender's or the addressee's identity the letter and any enclosures may be examined and read in its entirety to determine the most appropriate of the following actions:

(1) When the prohibited material or misrepresentation of identity indicates a violation of the law or an intent to violate the law, the matter will be referred to the appropriate criminal authorities for possible prosecution. Any case referred to criminal authorities will be reported to the director. When a case is referred to criminal authorities and the determination is made not to prosecute, the fact of the referral and the determination made will be reported to the inmate and to the inmate's correspondent. The director will be informed of the outcome of all referrals to criminal authorities.

(2) When an inmate's action or complicity indicates a violation of law; the regulations set forth in this article; or approved facility mail procedures; the matter may also be handled by appropriate disciplinary action.

3145. Enclosures in Confidential Mail.

When the inspection of confidential correspondence discloses written or printed enclosures, the enclosures will be treated in the same manner as confidential correspondence. The inmate will not be given the enclosures or be allowed access to the enclosures except as authorized in the following subsections:

(a) The inmate may consent to an immediate examination of the enclosure by a staff member of the facility who issues mail. Such examination will be limited to the extent necessary to determine if the enclosure may be safely admitted into the facility under the standards of Penal Code Section 2601. The conclusion of the examiner will be written on the enclosure, and be dated and signed by the examiner. If the enclosure can be safely admitted into the facility, it will be given to the inmate. If in the examiner's opinion the enclosure does not meet the standards of Penal Code Section 2601 and cannot be safely admitted into the facility, it will be referred to a facility staff member at not less than the facility captain level, for final determination. If not released to the inmate at this level, the inmate will be allowed access to the enclosure only as authorized in subsection (b).

(b) The inmate may decline to consent to examination of enclosures in confidential mail by any staff member. When this occurs, the enclosure will be immediately placed in a separate envelope and the envelope will be sealed in the presence of the inmate. The outside of the envelope will be annotated with the inmate's name and number, a notice that the content consists of unexamined confidential enclosures removed from confidential

correspondence; the date correspondence was received; and the name and address of the sender. The envelope will then be placed in the inmate's unissued personal property or will be stored in another place designated by the facility. The inmate will be allowed the maximum possible access to that material for review and examination in a place or manner which will prevent the material from being read by other inmates and staff.

(c) Any person who examines the content of mail under the authority of this section, or in connection with an appeal by an inmate, of a ruling under this section must keep the content of the material which was examined in strict confidence and make no reference to the contents in any documentation which may be entered in the inmate's case file.

Mail may be subject to a delay for translation of its contents by staff.

3147. Definition and Disposition of Mail.

(a) All incoming and outgoing mail shall be handled in accordance with the following:

(1) Definition of Classes of Mail. U.S. Postal regulations define first class mail as any handwritten or typewritten matter sealed in an envelope that has to be acted upon by the recipient; second class mail as any daily or weekly publication; third class mail as any matter that weighs up to a pound and not of a first class nature, e.g., advertising, mass mailings, etc.; and fourth class mail as printed matter, e.g., catalogs, brochures, etc.

(2) Address. All outgoing mail must be properly addressed, using the appropriate zip code and shall be marked indicating that it originated from a California state correctional facility.

(3) Return Address. Outgoing inmate mail must contain a return address on the outside of the letter or package. It will include the inmate's name, the address designated by the facility for inmate mail, and the inmate's register number or prison identification. If

the inmate sender's name appears on the outgoing mail, but the return address is incorrect or incomplete, the mail will be returned to the sender. If the sender's identity cannot be determined by other means the mail will be opened and inspected for that purpose.

(4) Returned Mail. All undelivered letters and packages returned to a facility by the post office will be opened and inspected before returning to the inmate. The purpose of this inspection will be to determine if the content originated with the inmate sender identified on the letter or package, and to prevent the transmission of material, substances, and property which an inmate is not permitted to possess in the correctional facility. The inspection of returned mail will include regular mail, which the inmate may have been authorized to seal before mailing, and letters, which were mailed as confidential correspondence. In the case of returned confidential correspondence the envelope shall be opened in the presence of the inmate and examined and read to the degree necessary to determine if it was sent out by the inmate and that it was not opened or tampered with before its return to the facility. Upon completion of this examination the returned correspondence shall be given to the inmate.

(5) Withheld/Disallowed Mail. First class mail addressed to an inmate, any publication, package, or an enclosure in otherwise acceptable first class mail, which is specifically prohibited by the provisions of this article or by facility mail procedures, may be disposed of as provided in subsection (B) without holding the item of mail pending appeal but with notice as required in subsections (A) and (B). When mail is withheld, based upon a judgmental or interpretive decision of staff, it shall be retained by the facility for not less than 15 days pending actions listed in (A) below.

(A) The inmate will be promptly informed in writing of the reason the mail is being disallowed; the disposition to be made of the mail; the name of the official disallowing the mail; and, the name of the official to whom an appeal may be directed. The notice to the inmate shall include the name and date of the publication, or the name and address of the sender, and shall inform the inmate of the disposition that shall be made, if an appeal is not submitted to the named official within 15 days of the date of the notice.

(B) Incoming mail disallowed under the provisions of this article, under facility procedures, or pursuant to an appeal, shall be destroyed or mailed at the inmate's expense to an approved outside correspondent. The undelivered mail shall be destroyed 15 days after the notification of undelivered mail is forwarded to the inmate unless the inmate designates who is to receive the mail and authorizes withdrawal from their trust account to pay for the expense of mailing, or as authorized by the institution head, provides sufficient postage stamps already in the inmate's possession.

(6) Stopped Mail. If for any reason set forth in this article or in approved facility mail procedures any first or second class mail is not accepted for mailing for an inmate or is accepted for mailing but is not promptly mailed, the inmate will be notified in writing of the reason for refusal to accept or to promptly mail the items. The notice will include the disposition to be made of any such mail in the possession of department employees. Unless the retention of such mail is required in legal or disciplinary proceedings against the inmate it will be promptly mailed or returned to the inmate.

(7) Mail Retention in Central File. No original, copy, excerpt or summary of mail to or from an inmate will be made or placed in an inmate's central file unless it is or has been the subject of a legal or disciplinary action, investigation, casework determination, or action affecting the inmate. Exceptions may be made when an inmate requests that a copy be placed in his or her central file and the inmate's caseworker deems it appropriate to do so; or, when the receiver of disturbing or offensive mail has returned an inmate's letter(s) to the facility requesting administrative action as spoken to in section 3135.

(8) Forwarding Mail. Mail received for an inmate who has been transferred from the facility where the mail is received will be immediately forwarded to the facility, administrative office or agency to whom the inmate's custody has been relinquished, except as otherwise stated in this section.

(A) Temporary Absence. Mail will be held for an inmate who is temporarily away from the facility when the inmate's return is anticipated within one week.

(B) Address Unknown. Mail addressed to an inmate who has been transferred or released, will not be returned to the sender as "addressee unknown" unless the individual has been discharged from department jurisdiction.

(C) Means of Forwarding. First class mail will be forwarded directly via the U.S. Postal Service. Second class mail will also be forwarded via the U.S. Postal Service for inmates who are no longer confined in facilities of the department. Second and third class mail for inmates confined in facilities of the department will be forwarded via intradepartmental mail. Periodicals will be forwarded for only 60 days. Daily newspapers will not be forwarded. Unforwarded periodicals and newspapers may be made available to the general inmate population.

(D) Length of Forwarding. Less-than-first class mail will not be forwarded after 60 days from the date of the inmate's transfer or release from an institution, but will be returned to the sender or be disposed of as indicated in subsection (C). First class mail will continue to be forwarded as long as the addressee remains under the jurisdiction of the department, or their address is known or can be determined.

(E) Change of Address. Change of address notice cards will be issued upon request to inmates who are scheduled for transfer or release or who are new arrivals at the facility. Inmates are responsible for notifying their correspondents and the publishers of their subscriptions of any change of address.

(F) Newspapers. Daily newspapers will not be forwarded nor will they be held for an inmate who is temporarily away from the facility for longer than 72 hours. Exceptions will be made when the absence results from the inmate's participation in department or facility approved activities such as community release program, firefighting or other disaster control assignments.

3176. Denial, Restriction, Suspension, Termination or Revocation of Visits and Exclusion of a Person.

The terms “approve,” “disapprove” “deny,” “restrict,” “suspend,” “terminate,” “revoke,” and “reinstate” as used in this article apply to actions which may be taken by the institution head or designee for the administration of visiting. The director or institution head may, for cause, exclude a person from entering institutions/facilities of the Department. All such actions are subject to the provisions set forth in this article.

(a) The official in charge of visiting may deny an approved visitor access to an institution/facility, terminate, or restrict a visit in progress for the following reasons:

(1) The visitor appears to be under the influence of alcohol, drugs or other substance to the extent that his or her presence in the institution/facility would pose an undue threat to his or her safety or the safety of others, or to the security of the institution/facility.

(2) The visitor does not provide the identification and/or documentation required as set forth in these regulations.

(3) The visitor refuses to submit to a search and inspection of their person or vehicles and property brought onto the institution/facility grounds.

(A) Visitors who refuse to submit to an unclothed body search, where probable cause exists, shall have their visiting privileges denied for that day. Future visits may be conditioned upon the visitor’s willingness to submit to an unclothed body search prior to being allowed to visit. Such searches may be repeated on subsequent visits for as long as institution/facility officials have probable cause to believe that the visitor will attempt to introduce contraband or unauthorized substances or items into the institution/facility.

(B) The willingness or unwillingness of the visitor to submit to a search shall not affect conditions or restrictions placed on an inmate’s visiting privileges by a disciplinary or classification committee unless the inmate is found in a subsequent disciplinary hearing to have been a conspirator to smuggle contraband into or out of the institution/facility.

(4) Conduct in violation of institution/facility procedures, including excessive physical contact, refusal to follow staff instructions, disruption of the visiting/processing area, destruction/alteration of visiting documents, or any other behavior that would constitute a misdemeanor or felony or repetition of less serious violations and disregard for warning about such violations.

(5) The visitor is not appropriately dressed.

(6) The visitor is under 18 years of age and the conditions prescribed in section 3173(b) have not been met.

(7) The visitor has a medically implanted or prosthetic device, cannot clear the contraband or metal detection devices, and does not provide the written verification required in section 3173.2(d).

(8) The visitor requires the use of a wheelchair or other assistive device(s) for mobility impairment, but does not provide the written verification as required in section 3173.2(e), or refuses to temporarily transfer to a designated institution/facility wheelchair while the visitor’s personal wheelchair is being inspected.

(9) The maximum capacity of the visiting area has been reached and to allow others to visit it is necessary to terminate the visits of those persons who have been visiting for the longest period of time. Exceptions shall include, but are not limited to the following:

(A) Excessive Distance: The visitor has traveled a distance of 250 miles or more, and has not visited within the last 30 days. This exception applies to two consecutive days of visiting.

(B) Weddings: When an inmate and the visitor’s marriage ceremony occurred on that day.

(C) Disabled: A disabled visitor who must rely on special transportation to the institution/facility.

(D) Family Emergencies: When death, serious illness or injury occurs to an inmate’s immediate family. Clergy or approved visitors may visit the inmate to offer condolences or inform the inmate of the occurrence.

(E) Infrequent Visits: When the visitor has not visited the inmate in the last six months.

(10) When the overcrowding situation persists, visits of those remaining will be terminated as necessary.

(b) Written notification shall be provided to the visitor when action is taken by the official in charge of visiting to deny, terminate or restrict a visit. The written notification shall contain information instructing the visitor how to appeal the action as outlined in section 3179.

(c) The institution head or designee may revoke or suspend an approved visitor’s future visits for a specified period of time for the following reasons:

(1) Information, which would have resulted in disapproval of visits in section 3172.1, becomes known after approval to visit has been granted.

(2) The visitor has been involved in a serious violation or multiple less serious violations of CDC regulations.

(d) The ranking custody officer on duty or the official in charge of visiting may restrict visits, but may not deny visiting, as a temporary security measure when an inmate is scheduled for a hearing on a serious rules violation or for classification on an order for placement in administrative segregation. Subsequent disciplinary or classification committee action will supersede any such temporary action.

3176.1. Visitor Violation Process.

Any person seeking entry into an institution/facility for the purpose of visiting an inmate shall be subject to all applicable laws, rules and regulations. Any person violating a law, rule or

regulation while visiting shall be subject to warning, termination, suspension, and/or revocation of their visiting privileges as described below:

(a) Warning. Visitors may be verbally warned about violations of applicable law, rules, regulations or of local procedures governing visits. When a verbal warning achieves corrective action, a written report of the misconduct or warning is not necessary.

(b) Termination. When verbal warnings and/or restrictions fail to achieve compliance, or fail to deter conduct by a visitor that if committed by an inmate would constitute a serious rules violation, the visit shall be terminated and documented in writing.

(c) Suspension up to six months. For serious or repeated violations of the rules, regulations, or procedures, and/or upon belief of the visitor's involvement in a criminal act and pending the outcome of an investigation, the official in charge of visiting may impose a suspension of the visitor's access to the visiting program for up to 6 months. The length of suspension shall be commensurate with the seriousness of the violation.

(d) Suspension up to 12 months. The institution head or designee may impose a suspension of visiting for up to 12 months when a visitor is involved in criminal activity on institution/facility property, which constitutes a misdemeanor.

(e) Suspension up to 24 months. The director or designee may impose a suspension of visiting privileges up to 24 months when a visitor is involved in criminal activity on institution/facility property, which constitutes a felony.

(f) Revocation. Subsequent discovery of information that would have resulted in disapproval or disqualifying conduct are grounds for revocation of the previously granted permission to visit an inmate.

(g) The visitor and the inmate shall be notified in writing of all formal warnings, terminations, suspensions and revocations. The notice shall clearly state the reason for the action and length of time any sanction will apply. The notification shall also include the signature of the official taking the action and advise the visitor of the right to appeal in accordance with section 3179. The notification shall be provided to the visitor at the time of the action or mailed to the visitor's last known address within five working days of the action.

(a) Upon determination by the official in charge of visiting that a violation of state law has occurred, the visitor's access to the visiting program shall be suspended pending investigation, prosecution, and service of any sentence by the court.

(1) If the individual is not prosecuted, or upon completion of any court ordered sentence, approval to visit shall be reconsidered upon the visitor's written request.

(2) If a court finds the individual not guilty, a prior approval to visit shall be reinstated upon written request of the visitor.

(b) Regardless of the outcome of any referral to prosecuting authorities, future visits are subject to restrictions as provided in section 3176.1.

The director may delegate the authority for exclusion no lower than the rank of deputy director. The institution head may delegate the exclusion authority not lower than the chief deputy warden. Any person, including employees of the department, attorneys, attorney representatives, representatives of the news media, and delivery persons, may be excluded. The exclusion of a person is effected by issuance of an exclusion order.

(b) Exclusion orders shall be issued only when the director or institution head determines one or more of the following:

(1) The person's presence in the institution/facility presents a serious threat to security.

(2) The person is charged with a felony.

(3) The person is under investigation for a felony committed on institution/facility property.

(4) The person's purpose for entering an institution/facility is no longer valid or has been lawfully terminated.

(5) The person has committed any offense described in subsection 3178(r)(3) for which exclusion is an appropriate penalty.

(c) A temporary exclusion may be ordered pending investigation and/or verification of the cause for exclusion.

(d) The director or designee may exclude a person from any or all institutions/facilities. An institution head or designee may issue an order to exclude a person only from the institution/facility within his/her jurisdiction.

(e) When the institution head's exclusion order affects an inmate's attorney, or when the matter may have department wide significance, an immediate telephone report will be made to the director. In all instances of exclusion a written report will be made to the director or designee within two working days of the effective date of the order.

(f) The person excluded shall be provided with written notification of the action taken. The notification shall advise the person that, upon request, a meeting with the official who ordered the exclusion may be arranged at the convenience of both parties, and that he/she may bring other persons to the meeting, including an attorney, and any information or evidence to support his/her position. Following the meeting, the person shall be provided the official's written decision within 20 working days.

(2) If an institution head ordered the exclusion, the person shall also be informed that the decision may be appealed to the director.

(3) A copy of the letter to the person shall be forwarded to the director or designee and a copy shall be retained in the institution/facility files.

(4) If the exclusion letter is rescinded in full, notice of the rescission will be given in writing to the person, with a copy to the director or designee.

(b) A private consultation between an inmate and his or her attorney or attorney representative is known as an attorney visit. Attorney visits shall be conducted in a confidential area specified by the institution/facility. Attorney visiting shall normally be accommodated during the institution/facility regularly scheduled visiting days and hours. Where regular visiting is scheduled on both weekdays and weekends, the scheduling preference will be on weekdays because of the personnel and resources needed for the greater volume of weekend visits by friends and relatives.

(1) When an institution/facility visiting schedule only provide(s) for visiting on weekends an attorney visit shall be scheduled during normal weekday business hours upon written request of the attorney or attorney representative.

(2) The institution head or the official in charge of visiting has the discretion to authorize a contact attorney visit for an inmate on non-contact visiting status.

(3) If an attorney, or attorney representative, does not desire private accommodations, the attorney or attorney representative may visit the inmate on any scheduled visiting day and shall be provided the same accommodations including the schedule, as a regular visitor.

(c) An attorney or court may designate other persons to act on their behalf as attorney representatives.

(1) Attorney representatives must be one of the following:

(E) An employee of an attorney, legitimate legal service organization, or licensed private investigator who is sponsored by the attorney or licensed private investigator.

(2) Personnel retained by an attorney or attorney representative, including, but not limited to certified sign language interpreters, certified language interpreters and court reporters may accompany the attorney or attorney representative during the private consultation and are required to provide the information requested in

(c)(3) below. Licensed mental or medical health care professionals may also serve as attorney representatives and do not have to be accompanied by the attorney.

(3) The designation shall be in writing and signed by the attorney and/or judge, and shall contain the following:

(A) The designee's name and position of employment or title.

(B) The designee's date of birth, driver's license and social security number.

(C) Certification, in the form of a license that the representative is a licensed private investigator retained by the attorney or appointed by the court; or valid identification that the investigator is employed by a government agency, public agency, or public institution; or a letter in the form of a declaration, that the attorney representative is being sponsored by the attorney and that the attorney accepts responsibility for all actions taken by the attorney representative.

(D) The name and CDC number of the inmate(s) to be visited.

(E) The designation shall be presented by the representative at the time of their visit and shall be subject to verification by institution/facility staff.

(4) Attorney representatives shall be afforded the same accommodations and services and are subject to the same rules and regulations, as an attorney providing all other requirements of this article are met.

(d) An attorney who wishes to consult in person with an inmate shall contact the institution/facility at which the inmate is housed. The request shall be made by calling or writing (including via facsimile) the staff designated (usually the litigation coordinator) in the institution/facility operational supplement. In order to obtain approval/clearance, the attorney shall provide the following personal and professional information in writing (including via facsimile): name; mailing address; date of birth, valid driver's license or state-issued identification card number; proof of current registry and good standing with a governing bar association; and indication of the jurisdiction(s) licensed to practice law. (4) They are seeking to interview a named inmate, at the request of the inmate, for the purpose of representation of the inmate in a legal process, for a legal purpose or in a legal proceeding.

(5) They have been requested by a third party to consult with the inmate when the inmate cannot do so because of a medical condition, disability, or other circumstance.

(e) Any false statement or deliberate misrepresentation of facts specific to the information requested in subsection (d) above shall be grounds for denying the request and/or cause for subsequent suspension or exclusion from all institutions/facilities administered by the department.

(f) Upon receipt of the information specified in (d) above, a California Law Enforcement Telecommunications System check of the attorney through the Department of Justice and verification of the attorney's credential through the governing state bar will be conducted. Once the clearance and state bar verification have been obtained and approved, the attorney shall be contacted to schedule the initial in-person visit with the specified inmate(s). Attorneys and attorney representatives must report any change in personal or professional information, arrest history and declarations made in subsections (c) and (d) above to retain their approval/clearance.

(h) Upon arrival at the institution/facility, the approved attorney shall be processed into the institution/facility in the same manner and under the same restrictions as regular visitors. Attorneys shall also be required to present their state bar card or other similar documentation that the attorney is currently registered in good standing with a state bar association.

(i) To follow-up on information obtained during a private consultation with an inmate, attorneys or attorney representatives may request to visit inmates other than those already formally represented. Such requests shall be considered subject to reasonable operational limitations. If the request imposes an unreasonable burden on staffing or unduly disrupts an institutional function, e.g., interferes with count or feeding, it will be deemed unreasonable and the request will be denied.

(j) When there is cause to believe an attorney or a legal service organization is abusing the privilege of private consultation with the inmate, the institution head is authorized to:

(n) All items, including legal documents permitted into the security area, shall be inspected for contraband and/or unauthorized items or substances. The inmate may retain and take from the visiting area any legal documents given to him or her by the attorney or attorney representative, providing the inmate consents to staff examination of the documents for contraband or unauthorized items or substances.

(1) Staff may open and inspect but shall not read any part of written or printed materials without the expressed consent of the attorney/attorney representative and inmate.

(2) Any and all items including written and printed material that an inmate and an attorney wish to exchange during the visit must be presented to the official in charge of visiting for inspection before it is brought into the visiting area. The purpose of this inspection is to ensure the contents pose no threat to the security or safety of the institution/facility, including the introduction of unauthorized drugs, controlled substances, and contraband as defined in section 3006.

(3) If the inmate does not consent to an inspection of the contents of a document given to the inmate by the attorney/attorney representative, it shall be returned to the attorney/attorney representative.

(o) After proper inspection, written and printed material may be exchanged. The attorney or attorney representative may retain and take from the visiting area and from the institution/facility any

legal written or printed documents given to them by the inmate and not otherwise prohibited by law or these regulations.

(p) An attorney or attorney representative may be permitted, with the inmate's consent, to audio record the inmate's interview.

(3) The attorney or attorney representative must provide factory sealed videotape(s).

(r) Attorneys shall not be permitted to attend or participate in any conference or committee meeting of staff and the inmate concerned, except as may be authorized in these regulations.

(1) A written warning notifying the attorney or attorney representative that the offender's confidential legal privileges are subject to modification/suspension and that the offender will be subject to exclusion for a minimum of six months. Written warnings are appropriate for minor infraction or violations of the institution/facility regulations, i.e., violations that cannot be prosecuted as either a misdemeanor or felony.

(2) Modification, suspension, or exclusion of visiting privileges for a period of at least six months shall occur in the event that the written warning above fails to deter or correct the offending behavior.

Article 1.5. Use of Force and Restraining Devices

3268. Use of Force.

The purpose of this section is to set forth Department of Corrections policy governing the use of force. The policy has its foundation in California Penal Code statutes and relevant case decisions.

- (a) Definitions.

- (1) Reasonable Force:

The force that an objective, trained and competent correctional employee, faced with similar facts and circumstances, would consider necessary and reasonable to subdue an attacker, overcome resistance, effect custody, or gain compliance with a lawful order.

- (2) Unnecessary Force:

The use of force when none is required or appropriate.

- (3) Excessive Force:

The use of more force than is objectively reasonable to accomplish a lawful purpose.

- (4) Non-Deadly Force:

Any use of force that is not likely to result in death.

- (5) Deadly Force:

Any use of force that is likely to result in death.

- (6) Use of Force Options:

(A) The choices available to an employee when selecting a reasonable force option.

(B) The choices include, but are not necessarily limited to: verbal persuasion or orders; physical strength and holds; chemical agents and/or other immobilization devices; handheld batons; less-lethal weapons or firearms.

(1.) For the purposes of this section, a "less-lethal weapon" includes the 37 mm launcher and any other weapon when used to fire less-lethal projectiles.

(2.) For the purposes of this section, a "firearm" is a weapon used to fire lethal projectiles.

(b) It is the policy of the Department of Corrections to accomplish the custodial and correctional functions with minimal reliance on the use of force. Employees may use reasonable force as required in the performance of their duties, but unnecessary or excessive force shall not be used.

(c) The Department of Corrections recognizes the sanctity of human life. Therefore, deadly force will only be used when it is the reasonable force, as defined in section 3268(a)(1), and is needed to:

(1) Defend the employee or other persons from an immediate threat of death or great bodily injury.

(A) For the purposes of this section, "great bodily injury" means an injury that creates a substantial risk of death.

(2) Prevent an escape from custody.

(3) Stop acts such as riots or arson that constitute an immediate jeopardy to institutional security and, because of their magnitude, are likely to result in escapes or the death of other persons.

(4) Dispose of seriously injured or dangerous animals when no other disposition is practical.

(d) A firearm shall not be discharged if there is reason to believe that persons other than the intended target will be injured.

(e) Firearms may be discharged as a warning only in an institutional/facility setting and only when deadly force is permitted under section 3268(c).

The supervisor shall document his or her conclusions and forward them with the employee's document through the designated chain of command, to the institution head for approval or follow-up action.

(b) Reporting Deadly Force.

(1) An employee who uses deadly force, whether on or off duty, shall ensure that a supervisory employee is notified of the incident without delay.

(3) The Assistant Director, Office of Internal Affairs, or designee shall designate an employee to be in charge of the investigation. The employee shall go to and take charge of the scene. The employee shall assemble the appropriate investigative staff and ensure that all necessary investigative procedures and coordination with affected law enforcement entities are accomplished. The product of the investigation will be a report to the Director with conclusions concerning the extent to which the use of force did or did not comply with the law. However, when the deadly force is used in the community, local law enforcement shall take charge of the scene.

(4) A Deadly Force Review Board (DFRB) shall be convened as soon as possible after the investigation is completed.

(A) The Director or designee shall designate the members of the DFRB.

(B) The DFRB shall be composed of at least four members. Three shall be non-departmental law enforcement professionals. Additional members may be designated by the Director or designee.

(C) The DFRB shall examine all aspects of the incident to determine the extent to which the use of force complied with departmental policies and procedures, and to determine the need for policy, training and/or equipment modifications. The DFRB shall report its findings, in writing, to the Director for approval or follow-up action.

3272. Custody Classification.

The classification committee at each institution must assign a custodial classification to each inmate, in accordance with the custodial classifications prescribed by the department. The senior custodial officer on duty may temporarily increase the custodial classification of an inmate at any time he or she believes such action is necessary to protect the security and good order of the institution. Such action is subject to classification committee review at the next regular meeting. Any reduction of an inmate's custody classification must be by classification committee action.

Comment: Former DP-4203, custody classification.

3273. Acceptance and Surrender of Custody.

Wardens and superintendents must not accept or surrender custody of any prisoner under any circumstances, except by valid court order or other due process of law.

Comment: Former DP-4204, acceptance and surrender of custody.

3274. Inmate Count and Movement.

(a) Inmate count. Every institution head shall maintain a system to account at all times for inmates under their jurisdiction. A physical count of all inmates shall be taken at least four times during each calendar day unless otherwise authorized in writing by the director. No inmate activity shall be scheduled at a time which would disrupt a facility count.

(1) Standing count. At least one daily count shall be a standing count wherein inmates shall stand at their cell door or, in a dormitory, shall sit on their assigned bed during the designated count time.

(2) Emergency count. If staff determines an inmate may be missing, an emergency count shall be conducted to determine whether an escape has occurred and, if so, the identity of the escapee. When an emergency count is announced, inmates shall return to their assigned housing, except in a medical emergency or other exception specifically authorized by the official in charge.

(b) Inmate movement. Each facility shall establish a schedule of routine inmate movement to and from the facility's activities and assignments such as work and education, and the gym or exercise yard.

(1) Appointments. A CDC Form 129 (Rev. 7/88). Inmate Pass, shall be issued to an inmate approved for movement to a scheduled non-routine appointment. Medical service and casework appointments shall not be scheduled during an inmate's work or program hours unless an inmate cannot otherwise obtain the service or case work.

(2) Unscheduled movement. If unscheduled movement of an inmate is necessary, such movement shall not take place unless the inmate is escorted by staff, or a pass has been issued by staff authorizing the movement.

(3) Routine movement. A gate pass shall be maintained for each inmate assigned to work outside a facility's security area. The gate pass shall:

(A) Not be handled by any inmate.

(B) Include the inmate's identification photo, name, CDC number, housing assignment, custody designation, assignment requiring the gate pass, effective date of the pass, times the inmate is authorized to pass through the gate, and the signature of a facility official authorized to approve gate passes.

(C) Be rescinded by staff at the level of correctional lieutenant or higher, pending a classification committee review whenever:

1. A hold or detainer against an inmate's release, or notice thereof, is received by the facility.
2. Staff determines from the inmate's behavior that the inmate may require increased supervision.
3. Staff receives information indicating an inmate's increased escape potential.

(c) Lockdown. Facility procedures governing the restriction of inmate movement during a lockdown shall be established and updated daily during any lockdown.

(d) Limited visibility. When visibility at a facility is severely restricted or a state of emergency is declared, inmates shall be confined to their housing units, except as otherwise authorized by the official in charge. In such circumstances, all inmate movement shall be under the direct and constant supervision of staff.

3276. Firearms.

(a) Only peace officers who have satisfactorily completed firearms training and who are currently qualified in the firing of departmental firearms shall be assigned to armed posts or otherwise be authorized to possess, carry or use a departmental firearm. Exceptions are only authorized in extreme emergencies when peace officers are not available in sufficient numbers or in time to stop or control a situation which warrants the immediate use of force, as described in section 3268.

(b) An employee appointed to a peace officer position wherein the specifications of the position include the carrying and use of firearms shall be given a reasonable time to complete firearms training and to qualify in the firing of departmental firearms. Persistent failure or refusal to satisfactorily complete firearms training and to qualify in the firing of departmental firearms shall be cause for dismissal from employment as a peace officer.

(c) Employees shall not have accessible, carry or use privately owned firearms or ammunition while on duty, except as authorized by the director or his/her designee. For the purpose of this section "on duty" means any time which is compensable as actual time worked.

(d) Employees who are ordered to carry a concealable firearm while on duty away from facilities where inmates/parolees are located shall keep the firearm concealed at all times except when use of the firearm is necessary. Employees on duty on the grounds of, and in, facilities where inmates/parolees are located shall not carry a concealed firearm unless ordered to do so by the official in charge.

(e) Each facility where inmates/parolees are located which maintains an unissued supply of firearms, ammunition, and other weaponry as described in section 3275, shall provide for its long-term storage in a physically secure armory. At camps or other locations where these armory requirements cannot be met, arrangements shall be made for the long-term storage of such equipment off the grounds.

(f) Each facility where inmates/parolees are located shall provide a physically secure locked container, located outside the security areas, for the temporary storage of firearms, ammunition and other weaponry of employees and officials who must come on the grounds or enter the facility in the course of their employment or official business.

(g) Employees and others who live on the grounds of facilities where inmates/parolees are located, and any guests or visitors of such persons, shall not bring to, maintain, store or keep any firearms or ammunition in such residences at any time. Arrangements shall be made for the use of storage facilities described in subsections (e) and (f).

(h) Firearms and ammunition shall not be left in an unattended vehicle at any time upon the grounds of facilities where inmates/parolees are located. Exceptions are authorized only when the

vehicle is securely locked and under the direct observation of staff who are aware that the vehicle contains firearms or ammunition, or when the vehicle is equipped with a departmentally approved secure container for such equipment. Merely out of sight storage such as in the spare tire well, trunk or glove box does not meet the requirements for a secure container.

(i) The loss or theft of departmentally issued/authorized firearms/duty weapons or related equipment shall be immediately reported to the responsible employee's supervisor, and through the supervisor to the administrator of the jurisdiction of employment, and/or to the attention of the administrator in which the loss or theft occurred, if in a different jurisdiction. 3282. Use of Telephones by Inmates.

(a) For purposes of this section:

(1) An "emergency call" means a telephone call regarding the serious illness or injury, or the death of an inmate's immediate family member.

(2) A "confidential call" means a telephone call between an inmate and his/her attorney, which both parties intend to be private.

(3) An "inmate telephone" means a telephone designated solely to accommodate inmate-originated nonconfidential personal calls.

(4) An "intrafacility telephone" means a telephone, which is not capable of direct-dial connections to telephones outside of the facility.

(5) A "prison telephone" means a telephone that is capable of outside access and is not monitored or recorded.

(b) Facilities shall provide inmate telephones for use by general population inmates. Inmates may place collect telephone calls to persons outside the facility at designated times and on designated telephones, as set forth in local procedures. Limitations may be placed on the frequency and length of such calls based on the inmate's privilege group as outlined in section 3044, and to ensure equal access. Telephone calls requiring the use of a Telecommunication Device for the Deaf (TDD) or voice relay service shall have extended time scheduled due to the time delay which results from the TDD relay process.

(c) An inmate shall not:

(1) Use an intrafacility telephone except as specifically required or authorized by staff.

(2) Use a telephone capable of direct-dial connection with a public telephone system, except as authorized by staff.

(3) Charge a call to a credit card.

(4) Place a third party call.

(5) Ask the operator for an emergency interruption.

(6) Place a call to an "800," "900," "976," "911," "411," or other special service number. Inmates that have a verified need to utilize the (1-800) TDD or relay service shall notify the correctional staff to facilitate the (1-800) TDD call.

(7) Place a call to an inmate at any other facility.

(8) Place calls to victims, peace officers, or other persons who have made an official written request not to receive telephone calls.

(9) Knowingly participates in a forwarded, transferred, or three-party call on an inmate telephone.

(d) Except as provided in this section, no limitation shall be placed on the identities or relationships of persons to whom an inmate may place a collect call.

(e) All inmate calls placed on intrafacility and inmate telephones may be subject to monitoring and recording at any time by institution staff.

(f) A conspicuous notice in English and Spanish shall be posted at each inmate telephone capable of recording and monitoring stating in both languages: "All numbers dialed and conversations on this telephone may be recorded and may be monitored without any further notice. By using this telephone, you agree to the monitoring and recording. It is your responsibility to notify the person called that their conversation and telephone number may be monitored and recorded." Staff who authorize an inmate to use an unposted telephone for a nonconfidential call shall inform that inmate before the call is made regarding the notice of monitoring/recording requirement.

(g) If staff designated by the institution head determine that an incoming call concerns an emergency or confidential matter, the caller's name and telephone number shall be obtained and the inmate promptly notified of the situation. The inmate shall be permitted to place an emergency or confidential call either collect or by providing for the toll to be deducted from the inmate's trust account. A confidential call shall not be made on an inmate telephone and shall not be monitored or recorded.

(1) Confidential calls may be approved on a case-by-case basis by the institution head or designee only upon written request from an inmate's attorney on the attorney's office letterhead stationery. The date, time, duration, and place where the inmate will make or

receive the call, and manner of the call are within the discretion of the institution head, except as restricted herein. A confidential call from an inmate shall be placed as a collect call or by providing for the toll to be deducted from the inmate's trust account and made from a prison telephone or, with appropriate authentication of the caller, may be received from an attorney.

(2) It is within the discretion of the institution head, or his/her designee, to approve or deny a confidential call. As long as the attorney/client communication privilege is not violated, a confidential call may be denied where the institution head, or his/her designee, determines that normal legal mail or attorney visits were appropriate means of communication and were not reasonably utilized by the inmate or attorney. Where demand for confidential calls seriously burdens institutional operations, the institution head, or his/her designee, shall prioritize confidential calls.

(3) Emergency calls on prison telephones between an inmate and clergy, other religious advisors, or health care professionals shall be approved or denied on a case-by-case basis by staff designated by the institution head.

(h) Telecommunication Device for the Deaf (TDD) telephones shall be made available to inmates with a documented severe hearing impairment for personal, emergency, and confidential calls, which shall be subject to the provisions of this section.

(1) Assistive device telephones and additional time on telephones may be necessary to provide accommodations for inmates and their callers with disabilities.

(2) The facility shall provide for the procedures necessary to ensure effective telephone communications for inmates with disabilities and/or the disabled person(s) with whom they are communicating.

(i) All calls made on inmate telephones may have an announcement before and at random intervals during the calls stating that the call is from an inmate at a California state correctional facility and is being recorded.

3286. Controlling and Reporting Fights.

When inmates fight, the participants must be separated at once. The participants will be placed in detention, unless in the judgment of a superior officer circumstances do not warrant such action. Employees who observe the fight will prepare a written report stating clearly everything they observed, and will submit this report to the disciplinary officer. The employee who renders the report should, if possible, state who was the aggressor. The report will include the time, place, names of participants, name(s) of aggressor(s), the reason for the fight if it can be ascertained, weapons used if any, names of witnesses, action taken if any, and recommendations to prevent further recurrences.

Comment: Former DP-4217, controlling and reporting fights.

3287. Cell, Property and Body Inspections.

(a) Insofar as possible, a cell, room, or dormitory bed area and locker will be thoroughly inspected immediately upon its vacancy and again, if there is a significant time lapse, before another inmate is assigned to the same cell, room or dormitory bed and locker. Such inspections are required and must be recorded for segregation, isolation and security housing unit cells. The purpose of such inspections is to fix responsibility or the absence of responsibility for security and safety hazards and serious contraband found in the cell, room or dormitory area.

(1) Occupied cells, rooms and dormitory areas, including fixtures and lockers, and any personal and state-issued property of the occupant will be inspected on an infrequent and unscheduled basis. More frequent inspections will be conducted in specialized housing units, depending upon the security requirements of the unit and the risk an individual inmate presents to that security.

(2) Cell and property inspections are necessary in order to detect and control serious contraband and to maintain institution security. Such inspections will not be used as a punitive measure nor to harass an inmate. Every reasonable precaution will be taken to avoid damage to personal property and to leave the inmate's quarters and property in good order upon completion of the inspection.

(3) An inmate's presence is not required during routine inspections of living quarters and property when the inmate is not or would not otherwise be present. During special inspections or searches initiated because the inmate is suspected of having a specific item or items of contraband in his or her quarters or property, the inmate should be permitted to observe the search when it is reasonably possible and safe to do so.

(4) The inmate will be given a written notice for any item(s) of personal and authorized state-issued property removed from his or

her quarters during an inspection and the disposition made of such property. The notice will also list any contraband picked up or any breach of security noted during the inspection, and the follow-up action intended by the inspecting officer.

(b) An inmate is subject to an inspection of his or her person, either clothed or unclothed, when there is a substantial reason to believe the inmate may have unauthorized or dangerous items concealed on his or her person, or that he or she may have been involved in an altercation of any kind. Such inspections may also be a routine requirement for inmate movement into or out of high security risk areas. Random or spot-check inspections of inmates may also be authorized by the institution head to prevent possession and movement of unauthorized or dangerous items and substances into, out of, or within the institution. Visual daily inspections of inmates shall be made to ensure compliance with departmental grooming standards. All such inspections shall be conducted in a professional manner, which avoids embarrassment or indignity to the inmate. Whenever possible, unclothed body inspections of inmates shall be conducted outside the view of others.

(1) Correctional employees, other than qualified medical staff, shall not conduct unclothed body inspections of inmates of the opposite sex except under emergency conditions with life or death consequences. Routine inspections of clothed inmates of either sex may be performed by employees of either sex.

(2) Any inspection of body cavities, other than visual or metal detector inspections, will be conducted in a medical setting under the direct supervision of a physician. Any physical intrusion into body cavities must be performed by a physician, and then only after all less obtrusive methods have failed to bring the inspection to a conclusion.

(c) Inspections of inmate cell or living areas, property, work areas, and body shall be conducted on an unannounced, random basis as directed by the institution head. Such inspections shall be conducted no more frequently than necessary to control contraband, recover missing or stolen property, or maintain proper security of the institution.

(d) A written record shall be maintained of the disposition of contraband and stolen or missing property confiscated as the result of cell, property, or body inspections.

(i) The identification of unauthorized controlled medication may be confirmed by a licensed pharmacist and that confirmation may be used as evidence in a disciplinary hearing. There shall be no requirement for laboratory testing of intact controlled medications when identification of the controlled medication has been confirmed by a pharmacist.

DEPARTMENT OF CONSUMER AFFAIRS
BUREAU OF HOME FURNISHINGS

TECHNICAL BULLETIN NO. 121

FLAMMABILITY TEST PROCEDURE FOR MATTRESSES
FOR USE IN HIGH RISK OCCUPANCIES

I. Scope

1. This test procedure is designed to test mattresses for use in occupancies that are identified as high risk. Such facilities might include, but are not limited to, jails, prisons, penal institutions, correctional facilities, juvenile detention centers, nursing homes, and health care facilities.
2. This test procedure is not intended to be used for the evaluation of residential mattresses.

II. Test Facility

- (a) The described test procedure is a full-scale fire test. Small-scale fire test methods cannot be substituted for the described procedure.
- (b) The test burn room shall be 12 x 10 feet or a close approximation with an 8 foot ceiling height. The room shall have no openings other than a doorway opening approximately 38 x 81 inches, located as indicated in Figure 1.
- (c) The test burn room shall be instrumented to monitor temperature, carbon monoxide concentration, and mattress weight loss.
- (d) The test room shall be unfurnished except for a mattress support that shall closely resemble a penal institution mattress spring unit, approximately 31 x 77 inches.
- (e) The mattress spring unit shall be positioned as indicated in Figure 1.

III. Test Sample

The test sample shall consist of a typical institutional mattress, complete with cover, with approximate dimensions 30 x 76 inches and with thickness appropriate to the application.

IV. Test Conditioning

The test mattress and newsprint shall be conditioned for at least 48 hours prior to test at $70 \pm 5^\circ\text{F}$ and a relative humidity of less than 55%. Test materials shall be tested within 10 minutes of removal from such condition if test room conditions differ from the above.

V. Test Ignition Source

- (a) The test ignition source shall be a galvanized metal container with ten (10) double sheets of loosely wadded newspaper.
- (b) The dimensions of the metal container shall be approximately 10 inches high, 12-1/2 inches top diameter, and 9 inches bottom diameter.
- (c) Each newsprint double sheet shall have the dimensions of 23 x 28 inches and an approximate weight of 18.5 ± 0.5 grams.
- (d) The newsprint shall be positioned in the container so that it is approximately level with the top of the container.

VI. Test Procedure

- (a) Place a weighed, conditioned, complete mattress on the spring support in a flat horizontal position as indicated in Figure 1.
- (b) The entire mattress and support system shall be assembled on a device capable of monitoring the weight loss of the mattress during combustion.
- (c) Position a thermocouple directly over the geometric center of the horizontal mattress surface and 1 inch below the ceiling.
- (d) Place the newsprint filled metal container beneath the mattress and support such that the center of the container is at the geometric center of the bottom mattress surface.
- (e) The height of the mattress support shall be adjusted so that the bottom surface of the mattress is $3 \pm 1/4$ inches above the top of the metal container.
- (f) Start monitoring instrumentation. Ignite the newsprint with a match and allow combustion to continue until either:

1. All combustion has ceased; or
2. At least ten percent by weight of the mattress has been consumed.

VII. Test Criteria

A mattress fails to meet the requirements of this test procedure if any of the following criteria are exceeded:

1. Greater than ten (10) percent weight loss in the first ten (10) minutes of the test.
2. A temperature of 500°F or greater at the thermocouple above the test mattress at any time during the test.
3. Carbon monoxide concentration in excess of 1,000 p.p.m. at any point in the test room at any time during the test.

VIII. Caution

Full-scale fire tests can be dangerous. All tests should be supervised by experienced test personnel. Adequate fire suppression equipment and self-contained breathing devices must be available for test personnel. Products of combustion can be irritating and dangerous, therefore, test personnel must avoid exposure to smoke and gases produced during testing as much as possible. Full-scale fire tests should never be left unattended. Test personnel must be certain upon completion of the test that combustion is totally suppressed.

3312. Disciplinary Methods.

(a) Inmate misconduct shall be handled by:

(1) Verbal Counseling. Staff may respond to minor misconduct by verbal counseling. When verbal counseling achieves corrective action, a written report of the misconduct or counseling is unnecessary.

(2) Custodial Counseling Chrono. When similar minor misconduct recurs after verbal counseling or if documentation of minor misconduct is needed, a description of the misconduct and counseling provided shall be documented on a CDC Form 128-A, Custodial Counseling Chrono. A copy of the completed form shall be provided to the inmate and the original placed in the inmate's central file. Disposition of any contraband involved shall be documented in the CDC Form 128-A.

(3) Rules Violation Report. When misconduct is believed to be a violation of law or is not minor in nature, it shall be reported on a CDC Form 115 (Rev. 7/88), Rules Violation Report.

(A) Unless an inmate charged with serious misconduct requires temporary administrative segregation pursuant to section 3335(b) pending adjudication of the disciplinary charges, the inmate may be retained in regularly assigned housing, work, and program assignments.

(B) If the inmate is placed in segregated housing pending the disciplinary proceedings, the official making the housing decision shall ensure compliance with the provisions of article 7 of this subchapter.

(b) Chief Disciplinary Officer Review of Disciplinary Actions. All disciplinary methods and actions shall be reviewed by the chief disciplinary officer, who shall be the institution head or a designee not below the level of correctional administrator or parole administrator I.

(1) The chief disciplinary officer shall affirm, reverse or modify the disciplinary action and/or credit forfeiture. The chief disciplinary officer may order a different action, order a different method of discipline, dismiss a charge, order a rehearing of the charge, or combine any of these actions.

(2) Except upon discovery of information or evidence not available or reasonably discoverable at the time of a disciplinary action, an order for a different method of discipline or for rehearing of the charges shall not result in a greater penalty or more severe action than that originally taken.

HEARING

A disciplinary hearing will normally be held within 30 days, but not less than 24 hours from the date you receive your copy of the CDC 115 violation report. You have the right to a fair hearing, but do not have the same procedural rights described for a serious rule violation. (CCR 3314 - 3320)

Within five working days, following review of the CDC 115 by the Chief Disciplinary Officer, you will be given a copy of the completed rule violation report, which will contain a statement of the findings and disposition and the evidence relied upon to support the conclusions reached. (CCR 3320)

APPEAL

If you are dissatisfied with the process, findings or disposition, you may submit an inmate appeal, form CDC 602, within fifteen days following receipt of the finalized copy of the CDC 115. When filing your appeal, be sure to attach a copy of the finalized CDC 115 and any other pertinent documentation.

SUMMARY OF DISCIPLINARY PROCEDURES AND INMATE RIGHTS
(See Title 15, California Code of Regulations for details)

A HEARING — A serious rule violation may result in the loss of credits. A hearing will normally be held within thirty (30) days but not less than 24 hours, from the date you receive a copy of the Rules Violation Report. An exception is provided in the California Code of Regulations when a case has been referred for possible prosecution and you have requested, in writing, and been granted, a postponement pending the outcome of such referral. Failure of staff to meet time constraints will usually act as a bar against denial or forfeiture of time credits, but will not bar against other authorized disciplinary actions. (CCR 3320)

B INVESTIGATIVE EMPLOYEE/STAFF ASSISTANCE —

1 *General Information* — You may request to have an investigative employee and/or a staff assistant assigned to assist you in the investigation, preparation, or presentation of your defense at the disciplinary hearing if it is determined by staff that (1) you are illiterate, or (2) the complexity of the issues, or (3) your confinement status makes it unlikely that you will be able to collect and present the evidence necessary for an adequate comprehension of your case. (CCR 3315/3318)

2 *Staff Assistant* — A staff member will be assigned to assist you in the disciplinary process if you are deemed to be incapable of representing yourself. The assigned staff will assist you in preparing for the hearing and assist you at the hearing. The staff assistant will maintain any confidence you request about your past conduct. (CCR 3318)

3 *Investigative Employee* — An investigative employee, if assigned, will gather information, question staff and inmates, screen witnesses, and complete and submit a written, non-confidential report to the disciplinary hearing officer. You have the right to receive a copy of the investigative employee's report 24 hours before a hearing is held. (CCR 3318)

4 *Witnesses* — You may request the presence of witnesses at the hearing who can present facts related to the charges against you. You may also request the presence of the reporting employee and the investigative employee. You may, under the direction of the hearing officer, question any witness present at the hearing. The hearing officer may deny the presence of witnesses when specific reasons exist. (CCR 3315)

5 *Personal Appearance* — A hearing on the charges will not normally be held without your presence, unless you refuse to attend. (CCR 3320)

C REFERRAL FOR PROSECUTION — Referrals for prosecution will not delay a disciplinary hearing unless you submit a request in writing for postponement of the hearing pending the outcome of such referral. You may revoke such request in writing at any time prior to the filing of accusatory pleadings by the prosecuting authority. A disciplinary hearing will be held within 30 days of staff receiving your written revocation of your request to postpone the hearing or within 30 days of receiving a response from the prosecuting authority. (CCR 3316/3320)

You have the right to remain silent at a disciplinary hearing and no inference of guilt or innocence will be drawn from your silence. Any statements you do make may be used against you in criminal proceedings.

D DISPOSITION — At the end of the hearing, you will be advised of the findings and disposition of the charge. Within five working days, following review of the CDC 115 and CDC 115-A by the Chief Disciplinary Officer, you will be given a copy of the completed rule violation report, which will contain a statement of the findings and disposition and the evidence relied upon to support the conclusions reached. (CCR 3320)

E APPEAL — If you are dissatisfied with the process, findings or disposition, you may submit an inmate appeal, form CDC 602, within fifteen days following receipt of the finalized copy of the CDC 115/CDC 115-A. When filing your appeal, be sure to attach a copy of the finalized CDC 115/CDC 115-A, if applicable, and any other pertinent documentation. (CCR 3003)

3313. Classification of Rules Violation Report and Notice of Pending Charges.

(a) Each CDC Form 115 shall be classified by designated staff not below the level required to conduct serious disciplinary hearings. Exception: In facilities with only one individual at the rank of correctional lieutenant or higher, an experienced correctional sergeant may classify rule violations.

Reports shall be classified as administrative or serious pursuant to sections 3314 and 3315.

(b) Staff who review or classify a CDC Form 115 shall not serve as the disciplinary hearing official for that rule violation.

(c) The classification of a CDC Form 115 may be changed as follows:

(1) Before the disciplinary hearing, the official who initially classified a CDC Form 115 or staff at a higher level may change the classification of the CDC Form 115.

(2) During the disciplinary hearing, the official conducting the hearing may change a serious classification to administrative as a finding of the hearing.

(3) Before or after the disciplinary hearing, the chief disciplinary officer may change a serious classification to administrative.

(4) After the disciplinary hearing, an administrative classification shall not be changed to serious unless the chief disciplinary officer or director orders a rehearing of the charges as a serious rule violation.

(A) When a rehearing is ordered by the chief disciplinary officer or director, the inmate shall be provided all rights and procedural safeguards of a serious rule violation hearing.

(B) An order for a rehearing shall be in writing and shall include the reasons for the order. A copy of the order shall be provided to the inmate.

(5) If the CDC Form 115 is reclassified from administrative to serious, the inmate shall receive written notice and shall be subject to the provisions of Section 3315 of these regulations.

A senior hearing officer shall not be below the level of a facility captain, correctional captain, correctional counselor III, parole agent III, or an experienced correctional lieutenant, correctional counselor II, or parole agent II.

(d) An inmate shall be assigned an employee to assist in the investigation of matters pertaining to a disciplinary action when the chief disciplinary officer or designee determines the necessity based on the following criteria.

(1) Investigative Employee.

(A) An investigative employee, as described in section 3318(a), shall be assigned, within one working day after the serious rule violation charges have been submitted for processing when the chief disciplinary officer or designee determines that:

1. The complexity of the issues require further investigation.
2. The housing status makes it unlikely the charged inmate can collect and present the evidence necessary for an adequate presentation of a defense.

3. A determination has been made that additional information is necessary for a fair hearing even if the inmate has waived the assignment.

(B) Staff who witnessed or who will serve as a hearing official for a rule violation shall not serve as the investigative employee for that violation.

(C) The inmate may not select the investigative employee, but may object to the one assigned, in which case, a second investigative employee shall be assigned to complete the investigation. The inmate's objection must be expressed prior to the beginning of the investigation.

(D) Assignment of an investigative employee shall not preclude the assignment of a staff assistant.

(2) Staff Assistant.

(A) The inmate shall be assigned a staff assistant, as described in section 3318(b), to assist in the investigation, preparation, and presentation of a defense at the disciplinary hearing if the chief disciplinary officer or designee determines:

1. The inmate is illiterate or non-English speaking.
2. The complexity of the issues are such that assistance is necessary so the inmate comprehends the nature of the charges or the disciplinary process.

3. The nature of the inmate's need for assistance requires a confidential relationship as described in subsection 3318(b)(2)(A).

(B) An inmate may refuse to accept the first staff assistant at the time of assignment or at any time during the disciplinary process.

(C) If the inmate refuses the staff assistant at the time of initial assignment, a second staff assistant shall be assigned.

(D) If the inmate refuses to accept the second staff assistant or withdraws acceptance of an assigned staff assistant, the assignment of another staff assistant shall not be required unless the chief disciplinary officer or designee determines that a fair hearing cannot be held without staff assistance.

(E) Assignment of a staff assistant shall not preclude assignment of an investigative employee.

(e) Witnesses. An inmate may request that friendly and adverse witnesses attend the hearing.

(1) Requested witnesses shall be called unless the official conducting the hearing denies the request for one of the following reasons:

(A) The appearance would endanger the witness.
(B) The official determines that the witness has no relevant or additional information.
(C) The witness is unavailable.

(2) If an inmate's request for a witness is denied, the reasons shall be documented on the CDC Form 115.

(3) Whether or not the inmate requests a witness, witnesses may be called if the official conducting the hearing determines the witnesses may have information necessary to the finding of fact.

(4) The reporting employee shall attend the disciplinary hearing if requested by the inmate.

(5) Under the direction of the official conducting the disciplinary hearing, the inmate has the right to ask questions of all witnesses called.

(6) Nothing in this section shall preclude making a witness available by telephone for a disciplinary hearing.

(f) Disposition. Upon completion of the fact-finding portion of the disciplinary hearing, the inmate may be found:

(1) Not guilty and the charges dismissed.

(2) Guilty of an administrative rather than a serious rule violation. In such case, the CDC Form 115 shall be reclassified as administrative and the inmate may be assessed only a disposition authorized in section 3314.

(3) Guilty as charged or guilty of an included serious rule violation and assessed a credit forfeiture pursuant to section 3323.

(4) If the violation included an act related to the use, possession, or distribution of controlled substances, controlled medication, drugs or drug paraphernalia; or if the inmate refused to submit to a test for controlled substances or drugs, the disposition shall include an order for the inmate to submit to mandatory random drug testing for one year from the date of the order.

(A) For the first offense, the inmate must provide a minimum of one random drug test per month for one year.

(B) For the second offense, the inmate must provide a minimum of two random drug tests per month for one year.

(C) For the third offense, the inmate must provide a minimum of four random drug tests per month for one year.

(D) The inmate shall be informed that refusal to submit to a random test or any positive test result during the mandatory random drug testing period shall result in the issuance of a CDC Form 115 and a new mandatory drug testing order.

(5) The disposition may or when mandated shall include assessment of one or more of the following:

(A) Any combination of penalties authorized for administrative rule violations in section 3314(e).

(B) Suspension of privileges specified by the hearing official for no more than a 90-day period starting the date the rule violation report was adjudicated. The suspension of privileges for violations of subsections 3323(c)(7) and 3323(d)(6) shall be assessed as follows:

1. Thirty days for the first offense.
2. Sixty days for the second offense.
3. Ninety days for the third offense.

(C) Placement into privilege group B or C for no more than a 90-day period starting from the date the rule violation report was adjudicated.

(1) Providing the inmate with a copy of the CDC Form 115 may be delayed beyond 15 days, but no more than 30 days, and shall not prohibit forfeiture of credits as a penalty for the misconduct when all of the following criteria are met:

(A) The misconduct could be prosecuted as murder, attempted murder, or battery on staff.

(B) An investigation is continuing to identify others involved in the misconduct.

(C) Within 15 days of discovering the misconduct, a written request to delay the inmate's notification, including the reasons for the delay, is approved by the chief disciplinary officer.

(b) The charges shall be heard within 30 days from the date the inmate is provided a copy of the CDC Form 115 unless the charges were referred for possible prosecution and the inmate has been granted a request for postponement of the disciplinary proceedings pending the outcome of the referral, or if the inmate is transferred out of the custody of the department.

(c) A disciplinary hearing shall not be held until the inmate has been provided:

(1) A copy of the CDC Form 115 and all nonconfidential reports to be relied upon in the hearing, including the investigative employee's report.

(2) At least 24 hours to review the material and prepare for the hearing. The hearing may be held earlier if the inmate waives the 24-hour period.

(d) A hearing may be postponed up to 30 days upon the inmate's written request showing a reasonable need for postponement. Postponement shall not bar any credit forfeiture.

(e) If a hearing is postponed for any reason, such reason shall be documented in the findings section of the CDC Form 115.

(f) The following events shall preclude denial or forfeiture of credits:

(1) The inmate was not provided a copy of the CDC Form 115 within 15 days after the discovery of information leading to the charges except as otherwise provided in (a).

(2) The official conducting the hearing did not establish that the information or evidence was not reasonably discoverable within 30 days or sooner or when the inmate is not provided a copy of the CDC Form 115 within 15 days of the misconduct, unless (a) is applicable.

(3) The disciplinary hearing was not held within 30 days of the date the inmate was provided a copy of the CDC Form 115, unless the inmate requested and was granted a postponement of the hearing pending outcome of the referral pursuant to section 3316, or if the inmate is transferred out of the custody of the department.

(4) A disciplinary hearing was not held within 30 days after the chief disciplinary officer was notified of the outcome of a prosecution referral or within 30 days of the inmate's revoked request for postponement of the hearing, if an accusatory pleading was not filed against the inmate.

(5) The inmate was not provided a written explanation of the extraordinary circumstances preventing a hearing within 30 days after the inmate was provided a copy of the CDC Form 115 and the official conducting the hearing did not establish in the findings of the hearing that the delay did not prejudice the inmate.

(g) The inmate shall normally be present at a disciplinary hearing. When a disciplinary hearing is held without the inmate present, the reason for the absence shall be documented during the hearing on the CDC Form 115. The inmate shall be present at a disciplinary hearing unless:

(1) A psychiatrist has determined that the inmate suffers from a serious mental disorder preventing the inmate's understanding of or participation in the hearing, and there is a compelling reason or need to proceed with the hearing.

(2) The inmate was convicted of escape in court and has not been returned to the facility or jurisdiction from which the escape occurred.

(h) Staff who observed, reported, classified, supplied supplemental reports to, or investigated the alleged rule violation; who assisted the inmate in preparing for the hearing; or for any other reason have a predetermined belief of the inmate's guilt or innocence shall not hear the charges or be present during deliberations to determine guilt or innocence and disposition of the charges.

(i) An inmate witness shall not be transferred between facilities to testify at a hearing unless the chief disciplinary officer of the facility hearing the charges determines a fair and impartial hearing cannot be conducted unless the witness is present. When a witness is not available, the chief disciplinary officer of the facility where the witness is located shall be notified of the need to appoint an investigative employee to discuss the case with the investigative employee of the facility conducting the disciplinary hearing; to interview the witness, prepare a written investigative report, and forward the report to the facility where the hearing will be conducted.

(j) When an inmate whose rule violation charges are being adjudicated is ordered to leave the hearing room, all witnesses, including staff witnesses, shall also leave the room. The inmate has a right to be present when any witness is present at the hearing.

(k) When a serious rule violation occurs during transportation of an inmate, transporting staff witnesses shall be present at the hearing if requested or shall be available for questioning by telephone during the disciplinary hearing.

(l) The inmate may present documentary evidence in defense or mitigation of the charges. Any finding of guilt shall be based upon determination by the official(s) conducting the disciplinary hearing that a preponderance of evidence submitted at the hearing substantiates the charge. At the conclusion of the disciplinary hearing, the inmate shall be informed of the findings and disposition of the charge and of the right to and procedure for appeal of the action. Within five working days following review of the CDC Form 115 and CDC Form 115-A by the chief disciplinary officer, the inmate shall be provided a copy of the completed CDC Form 115 containing the findings, disposition, and evidence relied upon in reaching the conclusions.

(m) When an inmate is charged with possession of unauthorized or dangerous items or substances, or when unauthorized or dangerous items or substances are associated with commission of the charged rule violation, the hearing official shall record the disposition of the item or substance in the disposition section of the CDC Form 115.

(b) Disciplinary detention may be ordered in a housing unit or section of a housing unit specifically designed for that purpose or in any room or cell which provides the necessary security, control, and restriction of the inmate's actions. When disciplinary detention is ordered in a housing unit other than a designed disciplinary detention unit, the conditions of detention will be the same as prescribed for disciplinary detention units.

(c) Disciplinary detention may be ordered as a continuous period of confinement or as intermittent confinement on holidays, weekends or days off from assigned work and program activities. When ordered as intermittent confinement, confinement shall not exceed 10 days during a 35-day period. The chief disciplinary officer shall review the treatment of an inmate confined in disciplinary detention and consider a modification of sentence when evidence indicates the inmate is ready to conform to the rules.

(d) Time served in disciplinary detention will be computed on the basis of full days in detention. The day of placement and the day of release will not count as a day of time served. Intermittent detention may extend from the end of the workday before the first full day of detention to the beginning of the workday following the last full day of detention.

(e) Continuous disciplinary detention of an inmate shall not exceed 10 full days without approval of the director or deputy director, institutions.

3331. Conditions of Detention.

(a) Insofar as the safety and security of institution and for persons will permit, the physical facilities of designated disciplinary detention units will approximate those housing general population inmates.

(b) Quarters. Where adequate and secure facilities are available and the number of inmates assigned to designated disciplinary detention units permit, inmates so assigned will be housed in single occupancy quarters. When the use of multiple occupancy quarters is necessary, the number of inmates so assigned will not exceed the capacity of beds for which such quarters are equipped except as a temporary emergency measure. The office of the deputy director-institutions or the departmental duty officer will be notified when such an emergency exists for longer than 24 hours. Institution and department efforts will be coordinated as necessary to resolve the overcrowding situation as quickly as possible.

(c) Personal Items.

(1) Inmates will not be permitted to use or possess items of personally owned property, such as radios, television sets, tape players, musical instruments, and typewriters while undergoing disciplinary detention. Personal items necessary for health and hygiene may be used if such items are not available for issue by the institution.

(2) Inmates will not be permitted to purchase, use or possess edible or consumable canteen items while undergoing disciplinary detention. Cigarettes in an inmate's possession at the time the

inmate is placed in disciplinary detention may be excepted. Inmates may use their own cigarettes in lieu of state issued tobacco.

(3) Inmates may be deprived of the use of personally owned clothing and footwear while undergoing disciplinary detention when adequate state clothing and footwear are issued. No inmate in disciplinary detention will be required to wear clothing that significantly differs from that worn by other inmates in the unit, except that temporary adjustments may be made for security reasons and for protection from self-inflicted harm. No inmate will be clothed in any manner intended to degrade the inmate.

(d) Meals. Inmates in disciplinary detention shall be fed the same meal and ration as is provided for general population inmates. Meals served shall supply approximately 2500 calories per day.

(e) Mail. The sending and receiving of first class mail will not be restricted while an inmate is undergoing disciplinary detention. Delivery or issue of packages, publications and newspapers will be withheld during disciplinary detention.

(f) Visits. Inmates undergoing disciplinary detention retain the right to have personal visits. Privileges and amenities associated with visiting including physical contact with visitors may be suspended during the disciplinary detention period. When the number, length or frequency of visits are limited, the inmate will be permitted to choose who will visit from among persons approved to visit before the detention period began.

(g) Personal Cleanliness. Inmates undergoing disciplinary detention will be provided the means to keep themselves clean and well-groomed. Haircuts will be provided as needed. Showering and shaving will be permitted at least three times a week.

(h) Exercise. Inmates undergoing disciplinary detention will be permitted a minimum of one hour per day, five days per week, of exercise outside their cells unless security and safety considerations preclude such activity.

(i) Reading Material. State supplied reading material will be provided for inmates undergoing disciplinary detention. Such material may be assigned to disciplinary detention units from the inmate library and will represent a cross section of material available to the general population. At the discretion of the warden or superintendent, inmates enrolled in educational programs who have textbooks in their personal property may be permitted to study such material while undergoing disciplinary detention.

(j) Legal Material. Inmates undergoing disciplinary detention will not be limited in their access to the courts. Legal resources may be limited to pencil and paper, which will be provided upon request, for correspondence with an attorney or preparation of legal documents for the courts. Other legal material in an inmate's personal property may be issued to an inmate in disciplinary detention if litigation was in progress before detention commenced and legal due dates are imminent.

(k) Privileges. All privileges generally associated with the inmate's work/training incentive groups status will be suspended during a period of disciplinary detention. This includes but is not limited to: personal nonemergency telephone calls, handicraft activities, use of recreational equipment, and the viewing of television, and other privileges.

(l) Restrictions. A written report by the administrator or supervisor in charge of a disciplinary detention unit will be submitted to the chief disciplinary officer whenever an inmate undergoing disciplinary detention is deprived of any usually authorized item, activity or privilege. A special report to the chief disciplinary officer and to a classification committee will be made when an inmate's circumstances indicate a continuing need for separation from general population or from specific persons.

3332. Administration and Supervision of Detention Units.

(a) Plan of Operation. Each warden and superintendent will establish and maintain a plan of operations for the disciplinary detention of inmates, whether in a unit or section of a unit designated for this specific purpose or in conjunction with other special purpose housing of inmates. Such plans will conform to the provisions of this article and will be updated as necessary to reflect current procedures and practices. A copy of the plan will be submitted to the director for review and approval annually, as scheduled for required plans.

(b) Administration and Supervision. The administration of disciplinary detention units may be delegated to a staff member at not less than the level of correctional captain. The supervision of disciplinary detention units may be assigned to a staff member at not less than the level of correctional sergeant.

(c) Visitation. Inmates assigned to disciplinary detention units will be visited daily by the supervisor in charge of the unit and by an institution physician, registered nurse or a medical technical assistant. An inmate's request to be visited by other staff will be promptly referred to the staff member. A timely response should be given to such requests whenever reasonably possible.

(d) Supervisor's Responsibilities. The supervisor in charge of a disciplinary detention unit is responsible for the physical security of the unit, the control of contraband within the unit, and for safe, sanitary and decent working and living conditions within the unit. When any condition within the unit or the behavior, conduct or appearance of any inmate confined therein appears to warrant the attention of specific or specialized staff, the matter will be promptly brought to the attention of appropriate staff.

(e) Suicide Risks. Inmates undergoing disciplinary detention who are diagnosed by qualified medical staff as a suicide risk will be moved to a hospital setting, and medical staff will assume responsibility for such placement and for observation and supervision of the inmate. Such movement and supervision will be in cooperation and coordination with custody staff.

(f) Management Cases. An inmate who persists in unduly disruptive, destructive or dangerous behavior and who will not heed or respond to orders and warnings to desist from such activity, may be placed in a management cell on an order of the unit's administrator or, in his or her absence, an order of the watch commander. In addition to any necessary incident or disciplinary reports, the matter will be reported to the warden, superintendent, chief disciplinary officer or administrative officer of the day, one of whom will review management cell resident status daily. An inmate who requires management cell placement for longer than 24 hours will be considered for transfer to a psychiatric management unit or other housing appropriate to the inmate's disturbed state.

(g) Disciplinary Detention Records.

(1) A Disciplinary Detention Log, CDC Form 114, will be maintained in each designated disciplinary detention unit. Specific information required in this log will be kept current on a daily and shift or watch basis. A completed log book will be retained in the unit for as long as any inmate recorded on the last page of that log remains in the unit. Storage and purging of log books will be in accordance with department schedules. One disciplinary detention/segregation log may serve a disciplinary detention unit and other special purpose segregation units, which are combined and are administered and supervised by the same staff members.

(2) A separate record will be maintained on each inmate undergoing disciplinary detention. This record will be compiled on CDC Form 114-A, Detention/Segregation Record. In addition to

the identifying information required on the form, all significant information relating to the inmate during the course of detention, from reception to release, will be entered on the form in chronological order.

When ordered as intermittent confinement, confinement may not exceed 10 ten days during a 35-day period.

(b) Confinement to quarters may extend from the first full day of confinement to the beginning of the day following the last full day of confinement. Such partial days will not reduce the total number of full days of ordered confinement.

Article 7. Administrative Segregation

3335. Administrative Segregation.

(a) When an inmate's presence in an institution's general inmate population presents an immediate threat to the safety of the inmate or others, endangers institution security or jeopardizes the integrity of an investigation of an alleged serious misconduct or criminal activity, the inmate shall be immediately removed from general population and be placed in administrative segregation. Administrative segregation may be accomplished by confinement in a designated segregation unit or, in an emergency, to any single cell unit capable of providing secure segregation.

(b) Temporary Segregation. Pending a classification committee determination of the inmate's housing assignment, which may include assignment to one of the segregation program units specified in section 3341.5 of these regulations or to the general inmate population, an inmate may be placed in a designated temporary housing unit under provisions of sections 3336–3341 of these regulations.

(c) An inmate's placement in temporary segregation shall be reviewed by the Institutional Classification Committee (ICC) within 10 days of receipt in the unit and under provisions of section 3338(a) of these regulations. Action shall be taken to retain the inmate in temporary segregation or release to general population. ICC shall review the inmate at least every 30 days thereafter until the inmate is removed from temporary segregation.

(1) ICC shall refer for Classification Staff Representative (CSR) review and approval any case in which an inmate is retained in temporary administrative segregation for more than 30 days. ICC shall recommend one of the following:

(A) Transfer to another facility.

(B) Continue in temporary administrative segregation pending completion of an investigation or resolution of court proceedings. ICC shall designate an anticipated length of time needed to complete the investigation or conclude court proceedings.

8. Certificate of Compliance transmitted to OAL 9-26-88 and filed 10-26-88 (Register 88, No. 50).

3336. Segregation Order.

Authority to order an inmate to be placed in administrative segregation, before such action is considered and ordered by a classification hearing, may not be delegated below the staff level of correctional lieutenant except when a lower level staff member is the highest ranking official on duty.

(a) The reasons for ordering an inmate's placement in administrative segregation will be clearly documented on a CDC Form 114-D (Order and Hearing on Segregated Housing) by the official ordering the action at the time the action is taken.

(b) In addition to explaining the reason and need for an inmate's placement in administrative segregation, the official ordering the action will determine if a staff member needs to be assigned to assist the inmate in presenting the inmate's position at a classification hearing on the need for retention in segregated housing. Staff assistance will be assigned and the assignment will be noted in the CDC Form 114-D if the inmate is illiterate or if the complexities of the issues make it unlikely that the inmate can collect and present evidence necessary for an adequate comprehension of the inmate's position at a classification hearing. If an inmate is not illiterate and the issues are not complex, staff assistance will not be assigned. The reason for not assigning staff assistance will be entered on the CDC Form 114-D.

(c) In assigning staff assistance, the official initiating the CDC Form 114-D will designate the inmate's caseworker by name, as the staff member to assist the inmate. If the assigned caseworker's name is not known or cannot be readily determined by the official initiating the CDC Form 114-D, the words "assigned caseworker" will be entered on the form.

(d) A copy of the CDC Form 114-D, with the "order" portion of the form completed, will if practical, be given to the inmate prior to placement in administrative segregation but not later than 48 hours after such placement. Copies of the CDC Form 114-D with the "order" portion completed will also be submitted to the warden or superintendent or designated staff for review and possible further action as described in section 3337. A copy of the CDC Form 114-D will also be routed to the records office as a notice of the inmate's current status and pending actions.

HISTORY:

1. Change without regulatory effect amending first paragraph filed 3-22-2001 pursuant to section 100, Title 1, California Code of Regulations (Register 2001, No. 12).

3337. Review of Segregation Order.

On the first work day following an inmate's placement in administrative segregation, designated staff at not less than the level of correctional captain will review the order portion of the

CDC Form 114-D. If retention in administrative segregation is approved at this review, the following determinations will be made at this level:

(a) Determine the appropriate assignment of staff assistance, if such assistance was deemed necessary by the official initiating the CDC Form 114-D. If the inmate's caseworker is not an appropriate assignment because of the caseworker's schedule, an alternate staff assistance assignment will be made. The inmate will be notified in writing of any change in the assignment of staff assistance. An inmate may decline to accept the assignment of his or her caseworker or the first person assigned. In such cases a different staff member will be assigned to assist the inmate.

(b) Determine the inmate's desire to call witnesses or submit other documentary evidence. If the inmate requests the presence of witnesses or submission of documentary evidence at a classification hearing on the reason or need for retention in segregated housing, an investigative employee will be assigned to the case. A request to call witnesses and the names of witnesses must be submitted in writing by the inmate.

(c) Determine if the inmate has waived the 72-hour time limit in which a classification hearing cannot be held, as indicated on the CDC Form 114-D, or if the inmate desires additional time to prepare for a classification hearing. A request and the reason for needing additional time to prepare for a hearing must be submitted in writing by the inmate. In the absence of an inmate's waiver of the 72-hour preparation period or an approved request for additional preparation time, a classification hearing cannot be held earlier than 72 hours after the inmate's placement in segregated housing, but will be held as soon thereafter as it is practical to do so.

(d) Determine the most appropriate date and time for a classification hearing based upon the determination arrived at under (a)(b) and (c) and the time limitations prescribed in section 3338. NOTE: Authority cited: Section 5058, Penal Code. Reference: Section 5054, Penal Code.

3338. Hearing on Segregated Housing Order.

(a) A classification hearing for consideration and determination of the need to retain an inmate in segregated housing, for the reasons set forth in a segregation order, CDC Form 114-D, will be held as soon as it is practical and possible to do so, but in no case longer than 10 days from the date the inmate was initially placed in segregated housing, except for the following reasons:

(1) The segregation order, CDC Form 114-D, has been withdrawn and the inmate has been returned to general population status pursuant to Section 3339.

(2) The inmate has been afforded the procedural safeguards of a disciplinary hearing for a serious rule violation and the case has been referred to a classification committee for review, as provided in Section 3315(g). In such cases the classification committee may rely upon the findings of the disciplinary hearing in determining the inmate's need for segregated housing and in ordering such placement. A separate order and hearing on segregated housing is not required in such cases.

(3) The inmate is retained in segregated housing for any Administrative reasons or purposes after acquittal or dismissal of disciplinary charges for which the inmate was segregated pending a disciplinary hearing. In such cases, a segregated housing order shall be initiated and a hearing shall be held on the order within the time limits and under the procedural safeguards set forth in section 3339(b).

(4) A continuing state of emergency exists within the institution, as described in Section 3383. Under such circumstances the hearing will be held as soon as it is safe and practical to do so.

(b) The hearing on an administrative segregation order, CDC Form 114-D, may be conducted by a single classification hearing officer (facility captain, correctional captain, correctional counselor III, or experienced correctional lieutenant, or correctional

counselor II.) This does not preclude the use of classification committees or subcommittees of classification for such hearings if such committee hearings can be scheduled and conducted within the time constraints required for such hearings. This option is left to the discretion of each warden and superintendent.

(c) The inmate will be present at the initial hearing on an administrative segregation order except under the applicable conditions as described in section 3320(g) of the director's rules relating to disciplinary hearings. If the hearing is held without the inmate present, the reason will be documented on the segregation order form. Any staff member assigned to assist the inmate will also be present at the hearing.

(d) The primary purpose of the initial hearing on an administrative segregation order, CDC Form 114-D, is to determine the need for continued retention in administrative segregation pending criminal prosecution, disciplinary proceedings, the resolution of nondisciplinary issues or considerations, and reclassification by the institution's main classification committee for assignment to a specialized security housing unit, or an action on the main classification committee's recommendation for transfer to an institution with appropriate specialized security housing units.

(e) When the reason for an inmate's initial placement in administrative segregation is a disciplinary matter and likely to result in a formal report of violation of institution rules on a CDC Form 115, or a referral to the district attorney for possible criminal prosecution, the hearing will assume the alleged misconduct or criminal activities to be factual as reported in the segregation order. The hearing will not consider evidence or information relating to the guilt or innocence of the inmate. The only determination to be made is whether the inmate needs to be retained in administrative segregation for the reasons given in subsection 3335(a) and in the segregation order, CDC Form 114-D, pending resolution or disposition of disciplinary issues. If the hearing decision is to retain the inmate in administrative segregation, the case will be referred to the next scheduled meeting of the institution's main classification committee for review. The main classification committee may review the case in absentia and continue the inmate in administrative segregation pending resolution of the disciplinary issues, or schedule the inmate for a personal appearance to consider placement in a specialized security unit based upon other nondisciplinary reasons necessitating such placement.

(f) When the reason for an inmate's placement in administrative segregation is for nondisciplinary reasons, the hearing will consider all available evidence or information relating to the validity of the reasons given for such placement as well as the need to retain the inmate in administrative segregation pending resolution of the situation or circumstances set forth in the administrative segregation order.

(g) All cases of nondisciplinary administratively segregated inmates referred to the institution's main classification committee in place of an initial hearing on a segregation order or for a review of an initial hearing decision, will require the inmate's personal appearance except under the applicable conditions for absentia hearings as described in section 3320(g) of the director's rules.

(h) Based upon the finding of the investigative employee, the initial hearing or the main classification committee will permit the inmate to present witnesses and documentary evidence at the hearing unless the initial hearing officer or the chairperson of the committee determines in good faith that permitting such evidence will be unduly hazardous to the institution safety or correctional goals. The reason for disallowing witnesses or evidence will be documented in the "hearing" portion of the segregation order, CDC Form 114-D, and in the classification committee's report (CDC Form 128-G) depending upon the hearing at which the presentation of such evidence or witnesses would have otherwise been presented.

(i) The determinations arrived at in the classification hearing will be documented in the hearing portion of the segregation order, CDC Form 114-D, and in the classification committee report, CDC Form 128-G, depending upon the hearing at which the need for segregated housing is resolved. Such documentation will include an explanation of the reason and the information and evidence relied upon for the action taken. A copy of the completed CDC Form 114-D and any CDC Form 128-G resulting from hearings will be routed to the inmate's central file. The inmate will also be given copies of all completed forms and of all other documents relied upon in the hearing except those containing confidential information.

3339. Release from Administrative Segregation and Retention in Administrative Segregation.

(a) Release: Release from segregation status shall occur at the earliest possible time in keeping with the circumstances and reasons for the inmate's initial placement in administrative segregation. Nothing in this article shall prevent the official ordering an inmate's placement in administrative segregation, or a staff member of higher rank in the same chain of command, from withdrawing an administrative segregation order before it is acted upon or prior to a hearing on the order after consulting with and obtaining the concurrence of the administrator of the general population unit to which the inmate will be returned or assigned. Release from segregated housing after such placement shall be effected only upon the written order of an equal or higher authority.

(b) Retention: Subsections (b)(1)–(b)(5) set forth procedural safeguards. These procedural safeguards apply to inmates retained for administrative reasons after the expiration of a definite term or terms of confinement for disciplinary reasons. Definite terms of confinement shall be set or reduced by classification or administrative action.

(1) A segregated housing order, CDC Form 114-D, shall be initiated, giving written notice of the reasons for such retention in sufficient detail to enable the inmate to prepare a response or defense. Except in case of a genuine emergency, a copy of the order shall be given to the inmate prior to the expiration of the determinate term or terms of confinement. In no case shall notice be given later than 48 hours after the expiration of the determinate term or terms.

(2) A fair hearing before one or more classification officials shall be held not more than 96 hours after the inmate is given a copy of the segregated housing order, unless the inmate requests, in writing, and is granted additional time to prepare a defense.

(3) Representation by a staff assistant shall be provided if institution officials determine that the inmate is illiterate or that the complexity of the issues make it unlikely that the inmate can collect or present the evidence necessary for an adequate comprehension of the case. The determination and designation is to be made at the time the segregated housing order is prepared and shall be included on the copy of the order given the inmate.

(4) The inmate shall be given a reasonable opportunity to present witnesses and documentary evidence unless institution officials determine in good faith that presentation of the evidence

would be unduly hazardous to institutional safety or correctional goals. The reason for disallowing designated evidence will be explained in writing by the hearing body on the segregated housing order.

(5) A copy of the completed segregated housing order containing a written decision, including references to the evidence relied upon and the reasons for retention in segregated housing beyond the expiration of the expired term of confinement, if so retained, shall be given the inmate upon completion of the hearing.

HISTORY:

2. Editorial correction of printing error in subsection (b)(2) (Register 92, No. 5).

3340. Exclusions.

Separation from general population for the reasons and under the circumstances described in this section is not considered administrative segregation and is specifically excluded from the other provisions of this article.

(a) Medical. When an inmate is involuntarily removed from general inmate status for medical or psychiatric reasons by order of medical staff and the inmate's placement is in a hospital setting or in other housing as a medical quarantine, the inmate will not be deemed as segregated for the purpose of this article. When personnel other than medical staff order an inmate placed in administrative segregation for reasons related to apparent medical or psychiatric problems, that information will be immediately brought to the attention of medical staff. The appropriateness of administrative segregation or the need for movement to a hospital setting will be determined by medical staff. When medical and psychiatric reasons are involved, but are not the primary reasons for an inmate's placement in administrative segregation, administrative segregation status will be continued if the inmate is moved to a hospital setting and the requirements of this article will apply.

(b) Orientation and Lay-Over. Newly received inmates and inmates in transit or lay-over status may be restricted to assigned quarters for that purpose. Such restrictions should not be more confining than is required for institution security and the safety of persons, nor for a period longer than the minimum time required to evaluate the safety and security factors and reassignment to more appropriate housing.

(c) Disciplinary Detention. Placement in disciplinary detention as an ordered action of a disciplinary hearing is not subject to the provisions of this article except as provided in section 3338(a)(2) and (3).

(d) Confinement to Quarters. Confinement to quarters as an ordered action of a disciplinary hearing is not subject to the provisions of this article.

(e) Segregated Inmates. When an inmate has been classified for segregated housing in accordance with this article and commits a disciplinary offense while so confined, or is returned to segregated housing upon completion of a disciplinary detention sentence for an offense committed in a segregated unit, the provision of this article will not apply.

NOTE: Authority cited: Section 5058, Penal Code. Reference: Section 5054, Penal Code.

3341. Staff Assistance.

The duties and functions of a staff member assigned to assist an inmate in a classification hearing on a segregated housing order will be the same as described in section 3318 for a disciplinary hearing. When an inmate requests witnesses at a classification hearing on a segregation order and an investigative employee is assigned, the investigative employee's duties and functions will be essentially the same as described in section 3318 for predisci-

plinary hearing investigations. In screening prospective witnesses, the investigative employee will do so in accordance with the information to be considered in the classification hearing, as described in section 3338(e) and (f).

HISTORY:

1. Editorial correction removing extraneous text (Register 97, No. 5).
2. Change without regulatory effect amending section filed 1-29-97 pursuant to section 100, title 1, California Code of Regulations (Register 97, No. 5).

3341.5. Segregated Program Housing Units.

Special housing units are designated for extended term programming of inmates not suited for general population. Placement into and release from these units requires approval by a classification staff representative (CSR).

(a) Protective Housing Unit (PHU). An inmate whose safety would be endangered by general population placement may be placed in the PHU providing the following criteria are met:

- (1) The inmate does not require specialized housing for reasons other than protection.
- (2) The inmate does not have a serious psychiatric or medical condition requiring prompt access to hospital care.
- (3) The inmate is not documented as a member or an affiliate of a prison gang.
- (4) The inmate does not pose a threat to the safety or security of other inmates in the PHU.
- (5) The inmate has specific, verified enemies identified on CDC Form 812 likely to and capable of causing the inmate great bodily harm if placed in general population.
- (6) The inmate has notoriety likely to result in great bodily harm to the inmate if placed in general population.
- (7) There is no alternative placement, which can ensure the inmate's safety and provide the degree of control required for the inmate.
- (8) It has been verified that the inmate is in present danger of great bodily harm. The inmate's uncorroborated personal report, the nature of the commitment offense or a record of prior protective custody housing shall not be the sole basis for protective housing unit placement.

(b) Psychiatric Management Unit (PMU). An inmate with a diagnosed psychiatric disorder not requiring inpatient hospital care, whose conduct threatens the safety of the inmate or others, may be housed in a PMU if the inmate is capable of participating in the unit's activities without undue risk to the safety of the inmate or others in the unit.

(c) Security Housing Unit (SHU). An inmate whose conduct endangers the safety of others or the security of the institution shall be housed in a SHU.

(1) Assignment criteria. The inmate has been found guilty of an offense for which a determinate term of confinement has been assessed or is deemed to be a threat to the safety of others or the security of the institution.

(2) Length of SHU Confinement. Assignment to a SHU may be for an indeterminate or for a fixed period of time.

(A) Indeterminate SHU Segregation.

1. An inmate assigned to a security-housing unit on an indeterminate SHU term shall be reviewed by a classification committee at least every 180 days for consideration of release to the general inmate population. An investigative employee shall not be assigned at these periodic classification committee reviews.

2. Except as provided at section 3335(a), section 3378(d) and subsection (c)(5), a validated prison gang member or associate is deemed to be a severe threat to the safety of others or the security of the institution and will be placed in a SHU for an indeterminate term.

(B) Determinate SHU Segregation.

1. A determinate period of confinement in SHU may be established for an inmate found guilty of a serious offense listed in section 3315 of these regulations. The term shall be established by the Institutional Classification Committee (ICC) using the standards in this section, including the SHU Term Assessment Chart (see section 3341.5(c)(9)), Factors in Mitigation or Aggravation (see section 3341.5(c)(10)), SHU Term Assessment Worksheet CDC Form 629-A, Rev. 3/96, Assessment of Subsequent SHU Term Worksheet CDC Form 629-B, Rev. 9/90, and SHU Time Computation Table (see CDC Form 629-D Rev. 7/88).

2. The term shall be set at the expected term for the offense in the absence of mitigating or aggravating factors. Deviation from the expected term shall be supported by findings pursuant to subsection (c)(7).

3. The terms shall be recorded on CDC Form 629-A, SHU Term Assessment Worksheet, using the SHU Time Computation Table which incorporates one-fourth clean conduct credit in the term. The computation shall establish a maximum release date and a minimum eligible release date (MERD). A copy of the CDC Form 629-A shall be given to the inmate.

4. Serious misconduct while in SHU may result in loss of clean conduct credits or an additional determinate term for an inmate serving a determinate term. Such additional term may be concurrent or consecutive and shall be recorded on CDC Form 629-B with a copy given to the inmate. Such cases shall be referred to a CSR for approval; however, all release and retention requirements of section 3339 shall remain in effect pending CSR approval.

5. Up to 45 days of a SHU inmate's clean conduct credits may be forfeited for disciplinary infractions that are not serious enough to warrant the assessment of a subsequent or concurrent SHU term. Such forfeiture may be assessed against credits already earned or future credits.

6. Consecutive SHU terms shall be assessed only for offenses occurring after commencement of a prior determinate SHU term.

7. The ICC may commute or suspend any portion of a determinate term. Once commuted, the term shall not be reimposed. If suspended, the period of suspension shall not exceed the length of the original term imposed. When either action occurs, the case shall be referred to a classification staff representative (CSR) with a placement recommendation.

8. The Unit Classification Committee shall conduct hearings on all determinate cases at least 30 days prior to their MERD or during the eleventh month from the date of placement, whichever comes first.

(3) Release from SHU. An inmate shall not be retained in SHU beyond the expiration of a determinate term or beyond 11 months, unless the classification committee has determined before such time that continuance in the SHU is required for one of the following reasons:

(A) The inmate has an unexpired MERD from SHU.

(B) Release of the inmate would severely endanger the lives of inmates or staff, the security of the institution, or the integrity of an investigation into suspected criminal activity or serious misconduct.

(C) The inmate has voluntarily requested continued retention in segregation.

(4) A validated prison gang member or associate shall be considered for release from a SHU, as provided above, after the inmate is verified as a gang dropout through a debriefing process.

(5) As provided at section 3378(e), the Departmental Review Board (DRB) may authorize SHU release for prison gang members or associates categorized as inactive. The term inactive means that the inmate has not been involved in gang activity for a minimum of six (6) years. Inmates categorized as inactive who are suitable for SHU release shall be transferred to the general population of a Level IV facility for a period of observation that shall be no greater than 12 months. Upon completion of the period of observation, the

inmate shall be housed in a facility commensurate with his or her safety needs. In the absence of safety needs, the inmate shall be housed in a facility consistent with his or her classification score. The DRB is authorized to retain an inactive gang member or associate in a SHU based on the inmate's past or present level of influence in the gang, history of misconduct, history of criminal activity, or other factors indicating that the inmate poses a threat to other inmates or institutional security.

(6) As provided at section 3378(f), an inmate categorized as inactive and placed in the general population may be returned to segregation based upon one reliable source item identifying the inmate as an active gang member or associate. The procedures described in this Article shall be utilized for the removal of the inmate from the general population, the review of the initial segregation order, and all periodic reviews of the indeterminate SHU term.

(7) Determinate SHU terms shall only be served in a departmentally approved SHU or a facility specifically designated for that purpose.

(8) When an inmate is paroled while serving a determinate term, the remaining time on the term is automatically suspended. When an inmate returns to prison, either as a parole violator or with a new prison commitment, ICC shall evaluate the case for reimposition of the suspended determinate term. If reimposed, the term shall not exceed the time remaining on the term at the time of parole.

(9) SHU Term Assessment Chart (fixing of determinate confinement to SHU).

(L) Any inmate who conspires to commit any of the offenses above shall receive the term specified for that offense.			

(10) Factors in mitigation or aggravation of SHU term. The SHU term shall be set at the expected range unless a classification committee finds factors exist which warrant the imposition of a lesser or greater period of confinement. The total period of confinement assessed shall be no less than nor greater than the lowest or highest months listed for the offense in the SHU Term Assessment Chart. In setting the term, the committee shall determine the base offense. If the term being assessed includes multiple offenses, the offense which provides for the longest period of confinement shall be the base offense. Lesser offenses may be used to increase the period beyond expected term. After determining the base offense, the committee shall review the circumstances of the disciplinary offense and the inmate's institutional behavior history using the factors below. The committee shall then determine that either no unusual factors exist or find that specific aggravating or mitigating factors do exist and specify a greater or lesser term. The reasons for deviation from the expected term shall be documented on a CDC 128-G, Classification Chrono, and SHU Term Assessment Worksheet, a copy of which shall be provided to the inmate.

(A) Factors in Mitigation.

1. The inmate has a minor or no prior disciplinary history.
2. The inmate has not been involved in prior acts of the same or of a similar nature.
3. The misconduct was situational and spontaneous as opposed to planned in nature.
4. The inmate was influenced by others to commit the offense.
5. The misconduct resulted, in part, from the inmate's fear for safety.

(B) Factors in Aggravation.

1. The inmate's prior disciplinary record includes acts of misconduct of the same or similar nature.
2. The misconduct was planned and executed as opposed to situational or spontaneous.
3. The misconduct for which a SHU term is being assessed resulted in a finding of guilty for more than one offense.
4. The inmate influenced others to commit serious disciplinary infractions during the time of the offense.

3342. Case Review.

(a) The case of every inmate assigned to a segregated housing unit will be continuously reviewed and evaluated by custodial and casework staff assigned to the unit. Staff will confer on each case no less frequently than once a week during the first two months of the inmate's segregated status. Such case reviews will not be necessary during any week in which the inmate's case is reviewed by a regular or special classification committee or by staff who are authorized to take classification actions. Any significant observations, determinations or recommendations, will be documented on the inmate's Detention/Segregation Record, CDC Form 114-A.

(b) Psychological Assessment. A psychological assessment of the inmate's mental health will be included in the case review and classification committee review of inmates assigned to segregated housing units. When any indication of psychiatric or psychological problems exists, the case will be referred to the institution's psychiatrist or psychologist for further evaluation and recommended classification committee actions, if any.

NOTE: Authority cited: Section 5058, Penal Code. Reference: Section 5054, Penal Code.

3343. Conditions of Segregated Housing.

(a) Living Conditions. In keeping with the special purpose of a segregated housing unit, and with the degree of security, control and supervision required to serve that purpose, the physical facilities of special purpose segregated housing will approximate those of the general population.

(b) Restrictions. Whenever an inmate in administrative segregation is deprived of any usually authorized item or activity and the action and reason for that action is not otherwise documented and available for review by administrative and other concerned staff, a report of the action will be made and forwarded to the unit administrator as soon as possible.

(c) Clothing. No inmate in administrative segregation will be required to wear clothing that significantly differs from that worn by other inmates in the unit, except that temporary adjustments may be made in an inmate's clothing as is necessary for security reasons or to protect the inmate from self-inflicted harm. No inmate will be clothed in any manner intended to degrade the inmate.

(d) Meals. Inmates assigned to administrative segregation including special purpose segregated housing, will be fed the same meal and ration as is provided for inmates of the general population, except that a sandwich meal may be served for lunch. Deprivation of food will not be used as punishment.

(e) Mail. Inmates assigned to administrative segregation, including special purpose segregated housing, will not be restricted in their sending and receiving of personal mail, except that incoming packages may be limited in number, and in content to that property permitted in the segregated unit to which an inmate is assigned.

(f) Visits. Inmates assigned to segregated housing, except for inmates assigned to security housing units in accordance with Section 3341.5, shall be permitted to visit under the same conditions as are permitted inmates of the general population. Inmates assigned to security housing units shall be prohibited from physical contact with visitors.

(g) Personal Cleanliness. Inmates assigned to administrative segregation, including special purpose segregated housing, will be provided the means to keep themselves clean and well-groomed. Haircuts will be provided as needed. Showering and shaving will be permitted at least three times a week. Clothing, bedding, linen and other laundry items will be issued and exchanged no less often than is provided for general population inmates.

(h) Exercise. Inmates assigned to special purpose segregation housing will be permitted a minimum of one hour per day, five days a week, of exercise outside their rooms or cells unless security and safety considerations preclude such activity. When

special purpose segregated housing units are equipped with their own recreation yard, the yard periods may substitute for other out of cell exercise periods, providing the opportunity for use of the yard is available at least three days per week for a total of not less than 10 hours a week.

(i) Reading Material. Inmates assigned to administrative segregation, including special purpose segregated housing, will be permitted to obtain and possess the same publications, books, magazines and newspapers as are inmates of the general population, except that the quantity may be limited for safety and security reasons. Library services will be provided and will represent a cross-section of material available to the general population.

(j) Telephones. Institutions will establish procedures for the making of outside telephone calls by inmates in administrative segregation. Such procedures will approximate those for the work/training incentive group to which the inmate is assigned, except that individual calls must be specifically approved by the supervisor in charge or the administrator of the unit before a call is made.

(k) Institution Programs and Services. Inmates assigned to segregated housing units will be permitted to participate and have access to such programs and services as can be reasonably provided within the unit without endangering security or the safety of persons. Such programs and services will include, but are not limited to: education, commissary, library services, social services, counseling, religious guidance and recreation.

(l) Visitation and Inspection. Inmates assigned to administrative segregation, including special purpose segregated units, will be seen daily by the custodial supervisor in charge of the unit and by a physician, registered nurse or medical technical assistant, and, by request, members of the program staff. A timely response should be given to such requests wherever reasonably possible.

(m) Management Disruptive Cases. Inmates assigned to segregated housing who persist in disruptive, destructive and dangerous behavior and who will not heed or respond to orders and warnings to desist, are subject to placement in a management cell, as provided in Section 3332(f).

3344. Administrative Segregation Records.

One Disciplinary Detention/Segregation Log may serve two or more special purpose units which are administered and supervised by the same staff members.

(b) A separate record will be maintained for each inmate assigned to administrative segregation, including special purpose segregated units. This record will be compiled on CDC Form 114-A, Detention/Segregation Record. In addition to the identifying information required on the form, all significant information relating to the inmate during the course of segregation, from reception to release, will be entered on the form in chronological order.

NOTE: Authority cited: Section 5058, Penal Code. Reference: Section 5054, Penal Code.

3345. Officer in Charge.

The custodial officer in charge of a disciplinary detention, segregation or security housing unit where inmates are segregated for disciplinary or administrative purposes, will insure that nothing is passed in or out of such units unless it has been thoroughly inspected; that no unauthorized visitors are permitted in such units;

that all laundry, shoes, clothing, or other materials and supplies going to or from the units are carefully inspected; that inmates needing medical attention receive it promptly; that all locks and bars are inspected and maintained in secure and proper working order; that proper precautions are taken in removing inmates from their cells and in passing them from place to place. Article 8. Medical and Dental Services

3350. Provision of Medical Care and Definitions.

(a) The department shall only provide medical services for inmates, which are based on medical necessity and supported by outcome data as effective medical care. In the absence of available outcome data for a specific case, treatment will be based on the judgment of the physician that the treatment is considered effective for the purpose intended and is supported by diagnostic information and consultations with appropriate specialists. Treatments for conditions, which might otherwise be excluded, may be allowed pursuant to section 3350.1(d).

(b) For the purposes of this article, the following definitions apply:

(1) Medically Necessary means health care services that are determined by the attending physician to be reasonable and necessary to protect life, prevent significant illness or disability, or alleviate severe pain, and are supported by health outcome data as being effective medical care.

(2) Outcome Study means the definition, collection and analysis of comparable data, based on variations in treatment, concerning patient health assessment for purposes of improving outcomes and identifying cost-effective alternatives.

(3) Outcome Data mean statistics such as diagnoses, procedures, discharge status, length of hospital stay, morbidity and mortality of patients, that are collected and evaluated using science-based methodologies and expert clinical judgment for purposes of outcome studies.

(4) Severe pain means a degree of discomfort that significantly disables the patient from reasonable independent function.

(5) Significant illness and disability means any medical condition that causes or may cause if left untreated a severe limitation of function or ability to perform the daily activities of life or that may cause premature death.

Article 9. Mental Health Services

3360. Availability of Mental Health Services.

(a) The department will provide a broad range of mental health services to inmates and parolees by assessing the needs of its population and developing specialized programs of mental health care, to the extent resources are available for this purpose. Necessary and appropriate mental health services will be provided to inmates and parolees, and adequate staff and facilities will be maintained for the delivery of such services.

(b) When an inmate is found to require mental health care not available within these resources, but which is available in the Department of Mental Health, the case will be referred to the director for consideration of temporary transfer to that department pursuant to Penal Code section 2684.

(c) Recognizing that many parolees have unique treatment needs not readily met by community mental health programs, and that the promptness and appropriateness of those needs affect public safety, the department provides outpatient clinics for parol-

ees. These clinics are conducted in widely distributed locations throughout the state at times and places such that they are available to parolees, and that they shall maintain close working relationships with parole supervisors, paroling authorities, and the community in which the parolee resides.

HISTORY:

1. New Article 9 (Sections 3360–3369) filed 4-18-80; effective thirtieth day thereafter (Register 80, No. 16).
2. Amendment of section heading and subsection (b) filed 1-3-95 as an emergency; operative 1-3-95 (Register 95, No. 1). A Certificate of Compliance must be transmitted to OAL 6-12-95 or emergency language will be repealed by operation of law on the following day.
3. Certificate of Compliance as to 1-3-95 order including amendment of Note transmitted to OAL 6-12-95 and filed 7-25-95 (Register 95, No. 30).

3361. Responsibility.

(a) All required mental health treatment or diagnostic services shall be provided under the supervision of a psychiatrist licensed to practice in this state, or a psychologist licensed to practice in this state and who holds a doctoral degree and has at least two years of experience in the diagnosis and treatment of emotional and mental disorders. Facilities for mental health treatment and diagnostic services shall be under the direction of such a psychiatrist or psychologist. A psychiatrist shall be available to assume responsibility for all acts of diagnosis or treatment that may only be performed by a licensed physician and surgeon.

(b) When an inmate or an inmate's guardian or relative, or an attorney or other interested party desires to have an inmate examined by a private psychiatrist or other mental health professional, a request shall be submitted in writing by such person or persons to the warden. After consulting with the institution's chief psychiatrist or, in his absence, the chief medical officer, the warden will grant the request unless there are specific case factors which, in the judgment of the warden, warrant denial. If the request is denied, the person making the request will be notified in writing of the reason for the denial and the right to appeal the decision, to the director. Any financial responsibility or obligation for private consultants or examinations will be assumed by the inmate or the person requesting the service. Private consultants will not be permitted to order mental health treatment for any inmate. However, the private consultant may be asked to make a report of findings and recommendations to the warden.

(c) Recognizing that mental health care often involves revealing deeply personal and private matters, all mental health care shall be provided in such a manner as to maintain the dignity of the inmate. Professional relationships shall be conducted with proper privacy, with due regard for the professional to take necessary and appropriate action to prevent harm to the patient or to others. Records of mental health diagnosis, evaluation and treatment prepared or maintained by the department shall remain the property of the department and are subject to all applicable laws governing their confidentiality and disclosure. Treatment will be in accord with sound principles of practice and will not serve a punitive purpose.

3. Certificate of Compliance as to 1-3-95 order including amendment of section and Note transmitted to OAL 6-12-95 and filed 7-25-95 (Register 95, No. 30).

3362. Availability of Treatment.

All persons committed to the department shall be informed that mental health services are available to them. They shall be informed that, upon their request, an evaluative interview will be provided within a reasonable period of time by a licensed practitioner, or a specially trained counselor supervised by a licensed practitioner. Upon request, they will be provided with information as to what specialized treatment programs may be available in the department and how such treatment may be obtained.

NOTE: Authority cited: Section 5058, Penal Code. Reference: Section 5054, Penal Code.

3363. Right to Refuse Treatment.

Inmates/Parolees shall be informed any time they are the object of particular mental health diagnosis or treatment procedures. Such persons shall have the right to refuse assignment to such a program of diagnosis or treatment without being subject to discipline or other deprivation, except as indicated in the following:

(a) When mental health evaluation is required by law or ordered by a court.

(b) When an inmate is placed in a mental health program for diagnostic study by the action of a classification committee, which acted upon documented information or observations that gave reasonable cause to believe the inmate was suffering from a mental illness which poses a danger to self or others, or is gravely disabled. A physician or other licensed practitioner may act in an emergency situation to place an inmate in psychiatric segregation under observation and treatment for a period of up to five working days pending classification action, providing the reasons for this action are documented.

(c) When diagnostic study has led to a diagnosis of existing or recurrent mental illness, which renders the inmate dangerous to self or others, or gravely disabled.

(d) If there is a special condition of parole requiring attendance at a parole outpatient clinic, interviews may be imposed upon the parolee. However, no medication will be administered by these clinics without the specific informed consent of the patient.

HISTORY:

1. Amendment of first paragraph and subsections (b) and (c) filed 1-3-95 as an emergency; operative 1-3-95 (Register 95, No. 1). A Certificate of Compliance must be transmitted to OAL 6-12-95 or emergency language will be repealed by operation of law on the following day.
2. Certificate of Compliance as to 1-3-95 order transmitted to OAL 6-12-95 and filed 7-25-95 (Register 95, No. 30).

3364. Involuntary Medication.

(a) If medication used in the treatment of mental disease, disorder or defect is administered in an emergency, as that term is defined in section 3351, such medication shall only be that which is required to treat the emergency condition and shall be provided in ways that are least restrictive of the personal liberty of the inmate. If it is determined that further administration of such medication involuntarily is necessary for a period of longer than 72 hours, the following provisions shall be followed:

(1) The administration of involuntary medication to inmates in excess of three days shall be in compliance with those procedures required in *Keyhea v. Rushen*, Solano County Superior Court No. 67432, Order Granting Plaintiffs' Motion for Clarification and Modification of Injunction and Permanent Injunction, filed October 31, 1986.

(2) The administration of involuntary medication to inmates in excess of ten days shall be in compliance with those procedures required in *Keyhea v. Rushen*, supra.

(3) The administration of involuntary medication to inmates in excess of 24 days shall be in compliance with those procedures required in *Keyhea v. Rushen*, supra. The judicial hearing for the authorization for the involuntary administration of psychotropic medication provided for in part III of *Keyhea v. Rushen*, supra, shall be conducted by an administrative law judge. The hearing may, at the direction of the director, be conducted at the facility where the inmate is located.

(b) Involuntary antipsychotic medication shall not normally be administered to an inmate in his or her housing unit. An inmate shall normally be transferred to the hospital, clinic, emergency room or infirmary room at the institution prior to the administration of the medication. If a psychiatrist determines that the prior transfer of the inmate to such a setting would pose a greater risk to the inmate and staff than the risk involved to the inmate in receiving the medication in a non-medical setting, the involuntary medication may be administered in the inmate's cell, provided that:

(1) Medical staff shall alert security staff, orally and in writing, of the fact that such medication has been administered, of the date and time of administration, of possible side-effects, if any, which could develop, and shall provide security staff with instructions for contacting medical staff immediately upon the development of any such side effects. On-call medical staff shall make periodic observations of the inmate and shall respond to any emergency request for medical aid.

(2) In all cases where it is both feasible and medically desirable, a fast-acting medication shall be utilized to facilitate the inmate's rapid transfer to a medical setting.

(3) The inmate shall be considered for transfer from his or her cell to a medical setting at least once a day after the injection by a staff psychiatrist, or if a psychiatrist is not available by a staff physician, for the effective duration of the medication. The staff psychiatrist or physician shall note his or her observations and decision in writing. The inmate shall be transferred to a medical setting no later than 72 hours after the injection if the effective duration of the drug administered exceeds that time period.

(c) Each institution's chief psychiatrist, or in his or her absence, chief medical officer, shall ensure that a log is maintained in which is recorded each occasion of involuntary treatment of any inmate. The log entries shall identify the inmate by name and number, and shall include the name of the ordering physician, the reason for medication, and the time and date of medication. In institutions with a designated psychiatric treatment unit, a separate log shall be maintained for recording involuntary treatment and medication administered to inmates in that unit. The log shall be reviewed by the institution's chief psychiatrist, or in his or her absence, the chief medical officer, at least monthly. Such logs shall be made available for review by the departmental medical director upon request.

3365. Suicide Prevention and Response.

(a) Each institution head shall ensure that all employees whose assignments routinely involve inmate contact are trained to recognize signs and symptoms associated with suicide risk, the appropriate procedures for staff intervention, and the appropriate procedures to be followed in response to emergency situations resulting from self-injurious or suicidal actions. This training shall be conducted as in-service training, in compliance with Section 3435.

(b) Each institution head shall implement a Suicide Prevention Program for inmates who display self-injurious or suicidal behavior or symptoms. These programs shall include the following components:

(1) Suicide Watch. When medical staff determine that an inmate is actively suicidal, a licensed physician or psychologist shall order placement of the inmate on suicide watch in a General Acute Care Hospital (GACH), Correctional Treatment Center (CTC), Skilled Nursing Facility (SNF), Outpatient Housing Unit (OHU), or other appropriate health care facility, for continual observation.

(2) Suicide Precaution. When medical staff determine that an inmate is at high risk of attempting self-injurious behavior, a licensed physician or psychologist shall order placement of the inmate on suicide precaution in a GACH, CTC, SNF, OHU, or other appropriate health care facility, for periodic monitoring.

(3) Follow-up Treatment. Discharge from suicide watch or suicide precaution shall occur when an interdisciplinary team of clinicians determines that the inmate no longer presents a suicide risk. A written treatment plan and follow-up outpatient treatment shall be provided by a mental health clinician.

(c) When a suicide attempt is discovered in progress, medical assistance shall be summoned immediately to provide emergency medical care. Security and safety procedures shall be followed, including the use of required equipment and procedures to deal with bodily fluids. A cut-down kit shall be immediately accessible on each unit and shall be used by staff in case of an attempted suicide by hanging. All subsequent activities and procedures shall comply with local institutional emergency plans, as developed in compliance with Section 3301.

3368. Aversive Therapy.

The use of any drug, electronic stimulation of the brain, or infliction of physical pain when used as an aversive or reinforcing stimulus in a program of aversive, classical or operant conditioning is not and will not be performed on persons committed to or in the custody of the Director of Corrections. Nothing in this section prohibits the administration of drugs intended to cause negative physical reactions to the ingestion of alcohol or drugs unless part of a program of aversive conditioning.

NOTE: Authority cited: Section 5058, Penal Code. Reference: Section 5054, Penal Code.

3369. Shock Therapy.

(a) Shock therapy is the only form of organic therapy, as defined by law, which may be used in the treatment of persons committed to the custody of the Director of Corrections. No inmate who is competent and capable of giving informed consent will be administered any form of shock therapy without having given his or her consent. Prior authorization of a superior court is also required before shock therapy may be administered for any treatment purpose other than as an emergency lifesaving measure.

(1) Shock therapy as a lifesaving emergency medical measure may be administered to an inmate who is competent and capable of giving informed consent and who has given consent, or an inmate who is incompetent or incapable of giving informed consent, without prior court authorization. However, all pertinent clinical data relating to the nature of the emergency and the treatment given will be presented to the court for review within 10 days of the first instance of emergency shock treatment.

(2) When an inmate is competent and capable of giving informed consent and has done so, and the court has authorized such treatment, shock therapy may be administered in a non-emergency course of treatment. No form of shock therapy may exceed three months of continuous treatment nor more than three months in any 12-month period.

(b) Informed Consent. The term, "Informed Consent," means that a person must knowingly and intelligently, without duress or coercion, and clearly and explicitly consent to the proposed shock therapy. The inmate's consent must be given in writing and in the presence of the attending physician. It must be preserved and be available to the inmate, the inmate's attorney, guardian, or conservator.

(c) Determining Need. If the attending physician determines that shock therapy is required for the health and safety of the inmate, permission may be requested of the warden or superintendent to administer the therapy.

(1) The warden or superintendent will appoint a committee of physicians, two of whom are board certified or eligible for board certification in psychiatry or neurosurgery, to review the inmate's treatment record and the determination of the attending physician. At least one of the attending physicians must not be a full-time employee of the department.

(2) Before shock treatment may be administered, this committee must unanimously agree with the attending physician's determination that it is required and, if it is to be performed under the provisions of subsection (b), that the inmate has the ability to give informed consent and has in fact given informed consent.

(d) Withdrawal of Consent. Any inmate who has given informed consent may withdraw it at any time. The shock therapy must cease immediately.

(e) Court Petition.

(1) An inmate, or inmate's attorney, guardian or conservator may file a petition with the superior court of the county in which the inmate is confined for an order to prohibit the administration of shock therapy upon the inmate. This petition must be served by the county clerk upon the warden or superintendent on the same day it is filed and constitutes a refusal of consent or withdrawal of any prior consent.

(2) The warden or superintendent has 10 days to file a response to the petition. The superior court may grant a continuance of 10 additional days. The response must be served upon the inmate, and upon the inmate's attorney, guardian or conservator on the same day it is filed with the clerk of the superior court.

(f) Correspondence Regarding Shock Therapy. The inmate is entitled to communicate in writing with his or her attorney, and by writing or visits with his or her parents, guardian or conservator regarding any proposed administration of shock therapy or organic therapy. Any mail regarding shock therapy will not be prevented from leaving the institution.

(g) Incapable of Informed Consent.

(1) If the inmate is incapable of giving informed consent to a program of shock therapy, and the attending physician believes that such treatment is required for the health and safety of the inmate, the attending physician may request the permission of the warden or superintendent. If the warden or superintendent agrees with the request and the committee, appointed pursuant to subsection (c)(1), also unanimously agrees that such therapy is required, the warden or superintendent will forward the request to the Chief, Medical Services for review and recommendation to the director. If the director concurs in the course of treatment, the warden or superintendent will petition the superior court for permission to conduct the hearing. 3375.2. Administrative Determinants.

(a) An inmate meeting one or more of the following administrative or irregular placement conditions, known as administrative

determinants, may be housed in a facility with a security level which is not consistent with the inmate's placement score:

(1) An inmate requires an outpatient or higher degree of medical or psychiatric care at a facility specifically staffed for the type of treatment necessary.

(2) An inmate with a history of sex crimes designated in section 3377.1(b) shall not be housed in a Level I facility without perimeter gun towers nor shall they be assigned to a program or work detail outside any security perimeter unless under constant and direct supervision.

(3) An inmate with a history of arson shall not be housed in a facility constructed primarily of wood.

(4) An inmate with a felony hold, warrant, detainer, or the equivalent thereof filed with the department who is likely to receive a significant period of consecutive incarceration or be deported, shall not be housed in a Level I facility without perimeter gun towers.

(5) An inmate requires confidential placement in a city or county confinement facility within the state.

(6) An inmate serving a sentence of life without possibility of parole shall not be housed in a facility with a security level lower than Level IV, except when authorized by the Departmental Review Board.

(7) An inmate serving any life term shall not be housed in a Level I or II facility if any of the following case factors are present:

(A) The commitment offense involved multiple murders, unusual violence or execution-type murders or received high notoriety.

(B) A history of multiple walkaways, an escape from a secure perimeter or an escape with force or threat of force.

(8) An inmate serving a life term without an established parole date of three years or less, shall not be housed in a Level I facility nor assigned to a program outside a security perimeter.

(9) An inmate serving a life term whose placement score is not consistent with a Level I or II security level shall not be housed in a Level I or Level II facility except when approved by the Departmental Review Board.

(10) An inmate whose death sentence is commuted or modified shall be transferred to a reception center for processing after which the Departmental Review Board shall determine the inmate's initial facility placement.

(b) The following three-letter codes are used to indicate those administrative or irregular placement conditions known as administrative determinants, which may be imposed by departmental officials to override the placement of an inmate at a facility according to his/her placement score.

(1) AGE. Inmate's youthfulness, immaturity or advanced age.

(2) ARS. Current, prior conviction, or a sustained juvenile adjudication, as defined in subdivision (b)(25), for arson.

(3) BEH. Inmate's record of behavior indicates they are capable of successful placement at a facility with a security level lower than that which is consistent with his/her placement score. This factor shall not be used for an inmate who is currently housed at a facility with a security level higher than that which is consistent with his/her placement score.

(4) CAM. Placement is recommended due to a shortage of camp qualified inmates.

(5) DEA. Inmate was formerly or is currently sentenced to death.

(6) DEP. Special placement ordered by the Departmental Review Board.

(7) DIS. Inmate's disciplinary record indicates a history of serious problems or threatens the security of the facility.

(8) ENE. Inmate has one or more enemies under the department's jurisdiction which have been documented on a CDC Form 812 (Rev. 8/01), Notice of Critical Case Information—Safety of Persons or on a CDC Form 812-C (Rev. 8/01), Notice of Critical

Information—Confidential Enemies pursuant to section 3378. This should also be used when it is probable that the inmate may be victimized due to case factors; e.g., the nature of their offense is likely to create an enemy situation at certain facilities, current Protective Housing Unit case, and those who are natural victims because of their appearance.

(9) ESC. Unusual circumstances suggest the inmate is a much greater escape risk than indicated by his/her placement score; e.g., the inmate verbalized an intent to escape.

(10) FAM. Inmate has strong family ties to a particular area where other placement would cause an unusual hardship.

(11) GAN. Documentation establishes that the inmate's gang membership or association requires special attention or placement consideration.

(12) INA. Documentation establishes that the inmate's inactive gang status requires special attention or placement consideration.

(13) HOL. Hold, warrant or detainer is likely to be exercised.

(14) LIF. Inmate is serving a life sentence and requires placement in a facility with a security level higher than that indicated by his/her placement score.

(15) MED. Inmate's medical condition requires treatment or continuing medical attention not available at all facilities.

(16) OUT. Inmate requires placement at a specific facility for an out-to-court appearance. This factor shall also be used when a releasing authority appearance is nearing.

(17) POP. Shall be used only by a CSR to indicate that no beds presently exist at a facility with a security level that is consistent with the inmate's placement score.

(18) PRE. The short time remaining to serve limits or otherwise influences placement or program options for the inmate. This factor shall also be used for sending an inmate to a hub facility for their release to a community based correctional facility.

(19) PSY. Inmate's psychological condition requires special treatment or may severely limit placement options. This factor shall also be used for those inmates who are designated as Category B.

(20) PUB. High notoriety of an inmate has caused public interest in the case and requires exceptional placement.

(21) SCH. Inmate is involved in an academic program, which is not available at a facility with a security level that is consistent with his/her placement score.

(22) SEX. Inmate has a prior incidence of rape, oral copulation, sodomy, or a lewd and lascivious act, which requires restricted custody or placement.

(23) SOR. Inmate's bisexual or homosexual orientation may require special placement.

(24) TIM. Inmate's time to serve is long, requiring placement at a facility with a security level higher than that, which is consistent with his/her placement score.

(25) VIO. Inmate has a current or prior conviction for a violent felony, or a sustained juvenile adjudication including, but not limited to, those listed under Penal Code section 667.5(c), which, as determined by the CSR, requires placement in a facility with a higher security level than that indicated by his/her placement score.

(A) For the purposes of this subdivision, a "sustained juvenile adjudication" means a guilty determination or ruling rendered in a juvenile judicial proceeding.

(B) The following administrative determinations regarding allegations of violent acts, including but not limited to those offenses described in Penal Code section 667.5(c), shall have the same force and effect as a current or prior conviction for a violent felony or a sustained juvenile adjudication:

1. Board of Prison Terms or Parole Hearings Division good cause finding, or;

2. California Youth Authority / Youthful Offender Parole Board sustained allegation.

(C) A probation violation finding in a court of law involving, but not limited to those offenses described in Penal Code section 667.5(c), shall have the same force and effect as a current or prior conviction in a court of law for a violent felony.

(26) VOC. Inmate is involved in a vocational program, which is not available at a facility with a security level, which is consistent with the inmate's placement score.

(27) WOR. Inmate has a work skill in a critical trade, which warrants special placement consideration.

3375.3. CDC Classification Score Sheet, CDC Form 839, Calculation.

The factors and related numerical weights used to determine an inmate's preliminary score are listed below. Box numbers appear to the right, but refer to the first box on the left of each field.

(a) Background factors (Boxes 30–46):

(1) Age at first arrest (Boxes 30–31).

(A) Calculate the inmate's age at first arrest based on the date of the inmate's first arrest. If there is no record of arrests prior to the commitment offense, use the date of arrest for the commitment offense as the date of the inmate's first arrest on CDC Form 839 (Rev. 12/02), CDC Classification Score Sheet.

(B) When the age of first arrest is determined, round down to the full year, and apply that information to the age at first arrest matrix on CDC Form 839.

(C) Enter the corresponding point value in boxes to the right.

(D) Enter all single digit numbers in the box to the far right.

(2) Age at Reception (Box 32).

(A) When the inmate's age at reception is determined, round down to the full year, and apply that information to the Age at Reception matrix.

(B) Enter the corresponding point value in the box to the right.

(C) This is always a single digit value.

(3) Current term of incarceration (Boxes 33–34):

(A) Length of term. Presentence and postsentence credits shall not be subtracted from length of term. A sentence of death or life without possibility of parole shall result in a maximum score of 50. For sentences of 25 years-to-life for murder, the base term is 25 years. For sentences under Penal Code section 667.7 with a term of life without parole for 20 years, the base term is 20 years. For all other life sentences, the base term is 15 years. Any enhancements or determinant terms for other counts or offenses to be served consecutive to a life term shall be added to the base term before calculation of the term score.

(B) Enter term in whole years within the parentheses.

1. Multiply the number of years by two (2).

2. Enter this value in Boxes 33–34.

3. Any single digit value is entered in the box to the far right.

4. If the score is more than 50, then 50 shall be used as the final term score.

(4) Street gang/disruptive group (Boxes 35–38). For the purpose of preliminary score evaluation, if there is information that the inmate is or has been involved in gang activity, enter 6 points in Box 35.

(A) Type of street gang/disruptive group code. Apply the code that most closely identifies the inmate's gang. Enter the appropriate alpha code in Boxes 36–37.

1. CR. Crip street gang/disruptive group.

2. BL. Blood street gang/disruptive group.

3. NH. Northern Hispanic street gang/disruptive group.

4. SH. Southern Hispanic street gang/disruptive group.

5. AS. Asian street gang/disruptive group.

6. BD. Bulldogs street gang/disruptive group.

7. WH. White supremacists, neo-nazi, skinheads, etc., street gang/disruptive group.

8. BK. Black street gang/disruptive group (not Crip nor Blood).

9. MC. outlaw motorcycle clubs street gang/disruptive group.

10. OT. other street gang/disruptive group not listed.

(B) Method of verification code (Box 38). Apply the code that is most indicative of gang activity. Enter the appropriate alpha code in Box 38:

1. Code A—Self admission.

2. Code B—Tattoos and symbols. Body markings, hand signs, distinctive clothing, graffiti, etc., which have been identified by gang coordinators/investigators as being used by and distinctive to specific gangs.

3. Code C—Written material. Any material or documents evidencing gang activity such as the membership or enemy lists, constitutions, organization structures, codes, training material, etc., of specific gangs.

4. Code D—Photographs. Individual or group photographs with gang connotations such as those, which include insignia, symbols, or validated gang affiliates.

5. Code E—Staff information. Documentation of staff's visual or audible observations, which reasonably indicate gang activity.

6. Code F—Other agencies. Information evidencing gang activity provided by other agencies. Verbal information from another agency shall be documented by the staff person who receives such information, citing the source and validity of the information.

7. Code G—Association. Information related to the inmate's association with gang affiliates.

8. Code H—Offenses. The circumstances of an offense evidencing gang activity such as an offense being between rival gangs, the victim is a verified gang affiliate, or the inmate's crime partner is a verified gang affiliate.

9. Code I—Legal documents. Probation officer's report or court transcripts evidencing gang activity.

10. Code J—Communications. Documentation of telephone conversations, mail, notes, or other communication, including coded messages evidencing gang activity.

(5) Mental Illness (Boxes 39–43). If a CDC 128-C, (Rev. 4/92) Mental Health Placement Chrono, has been prepared in the reception center that indicates that the inmate needs to be included in the Mental Health Services Delivery System (MHSDS), except for a case designated as Medical Necessity, enter four (4) points in Box 43 to the right.

(A) Do not assess points for a case that has been designated Medical Necessity although the inmate is included in the MHSDS.

(B) Level of care (Boxes 39–42). Enter an "X" in the box that indicates the level of care (LOC) that has been designated by the reception center health care staff per the inmate's CDC 128-C.

(6) Prior sentences (Box 44). This item requires a review of the probation officer's report (POR) and the CI&I/CLETS in order to identify prior sentences of 31 days or more. Apply no more than one point.

(A) Jail or county juvenile sentence of 31+ days (Box 44).

1. Count any sentence of 31 days or more. Do not include suspended sentences.

2. Count any incarceration under a delinquency petition which involves a crime rather than "status offender" placements. For example "beyond parental control" should not be counted. Burglary, however, would be counted.

3. Count CDC placements for diagnostic evaluation pursuant to Penal Code section 1203.03 "Z" cases, followed by a grant of probation.

(7) Prior Incarceration(s) (Boxes 45–46).

(A) California Youth Authority, state or federal level juvenile, which includes state or federal facilities for juvenile offenders (Box 45).

(B) CDC, California Rehabilitation Center, adult state, federal level (Box 46):

1. Count any state or federal level incarceration.

2. Count previous commitments to the civil addict program.

(8) Correction to CDC 839 Score Sheet (Prior to Rev. 07/02) (Boxes 47–49)

1. Use this section to correct a CDC 839 score sheet with a form revision date prior to 07/02.

2. This area shall not be used for changes or adjustments to term points.

3. Enter only the total correction to the score, either negative or positive, in the boxes provided.

(b) Prior Incarceration Behavior (Boxes 50 through 64):

(1) Last 12 months of Incarceration (Boxes 50–52). Prior incarceration behavior in any correctional agency shall include the last 12 consecutive months in custody, prior to the date that the inmate was received in CDC, going as far back as necessary to attain a total of 12 months. This includes behavior while in county jail, after conviction, or during transportation to the reception center. For example, behavior while incarcerated in juvenile hall, federal prison, or while serving a civil addict commitment shall also be counted.

(2) Twelve months of incarceration is also defined as 360 days. For ease and consistency of rule application, a month is considered a 30-day month.

(A) Only misbehavior, which is equivalent to a serious rule violation, as defined in section 3315, shall be recorded.

(B) If the inmate has a prior incarceration of 12 months or more but adequate documentation of the inmate's behavior is not available, four (4) favorable points shall be granted.

1. If behavioral information becomes available later, these items may need to be corrected.

(3) Favorable prior behavior (Box 50):

(A) If the inmate had no serious disciplinary(s) in the last 12 months of incarceration(s), four points shall be entered in Box 50.

(B) If there is no record of unfavorable prior behavior, enter four (4) favorable behavior points in Box 50.

(4) Unfavorable prior behavior (Boxes 51–52).

(A) For each serious disciplinary in the last 12 months of incarceration(s), four points shall be entered in Boxes 51–52.

(B) Serious Disciplinary History (Boxes 53–64).

A single serious disciplinary may result in the assessment of points on the classification score sheet for more than one factor listed in subsections 3375.3(b)(4)(C) through (H). Assess points for behavior for which the inmate was found guilty and for behavior that occurred during any prior incarceration, if the behavior meets the definitions below even if it occurred beyond the last 12 months of incarceration.

(C) For each battery on a nonprisoner or attempted battery on a nonprisoner, eight points shall be entered in Boxes 53–54.

1. Battery shall include any offense described in section 3005(c).

(D) For each battery or attempted battery on an inmate, four points shall be entered in Boxes 55–56. Assessments shall only include situations where one or more inmates are clearly the victim.

(E) For each involvement in the distribution of any controlled substance, per subsection 3323(c)(7), into a jail or correctional facility for distribution and sales, four points shall be entered in Boxes 57–58. Points shall not be assessed for incidents of personal use or possession of a small quantity of drugs.

(F) For each possession of a deadly weapon:

1. Four points shall be entered in Boxes 59–60 for each well documented incident of an inmate's manufacture or possession of a deadly weapon where apparent use was intended. (Does not include possession of commonly available and unmodified objects unless used as a weapon and this fact is documented in the disciplinary hearing process.) Include possession of a razor blade (whether modified or not) in a segregated program-housing unit (e.g. Administrative Segregation Unit, Security Housing Unit, Psychiatric Services Unit, etc.); or,

2. Eight points shall be entered in Boxes 59–60 for each possession of a deadly weapon incident, which occurred within five years of the inmate's reception to the department on current term.

(G) For each instance of deliberate and willful behavior which might lead to violence or disorder, and any willful attempt to incite others, either verbally or in writing, or by other deliberate action, to use force or violence upon another person, as described in section 3005 (typically, this involves a leadership role in a facility riot, racial disturbance or work strike), four points shall be entered in Boxes 61–62.

(H) For each battery that caused serious injury, 16 points shall be entered in Boxes 63–64. Inmates who conspired in or ordered the battery shall also receive these points.

1. Serious injury is that which is defined in section 3000.

2. Any attempt, which may have been life-threatening but circumstances such as heavy clothing prevented the homicide, shall be included.

(c) Preliminary Score (Boxes 65–67).

(1) The inmate's preliminary score is entered in Boxes 65–67 and is the result of adding the total points derived from background factors in subsection (a) with the total points derived from prior incarceration behavior in subsection (b).

- (2) Right-justify the total score.
- (3) Computations, which result in a minus value, shall be entered as zero.
- (d) Mandatory Minimum Score, Score Factors, and Score Factor Codes (Boxes 68–70):
 - (1) A mandatory minimum score is a score that is applied to an inmate who has a case factor that requires that he/she be housed no lower than a specific security level.
 - (2) A mandatory minimum score factor is a case factor that requires the application of a mandatory minimum score.
 - (3) A mandatory minimum score factor code is an alpha code associated with a mandatory minimum score factor.
 - (A) If an inmate has a case factor that requires the application of a mandatory minimum score factor code, enter the code that applies in Box 68.
 - (B) If one or more mandatory minimum score factors are present, determine which of the factors is associated with the highest score and enter that code in Box 68.
 - (C) Enter the mandatory minimum score that corresponds to the selected code in Boxes 69–70.
- (e) Placement Score (Boxes 71–73).
 - (1) If there are no case factors that require a mandatory minimum score, enter the preliminary score as the placement score.
 - (2) If a mandatory minimum score has been applied, and it is greater than the preliminary score, enter the mandatory minimum score as the placement score.
 - (3) If a mandatory minimum score has been applied, and it is less than the preliminary score, enter the preliminary score as the placement score.
- (f) Classification Staff Representative Action (Boxes 95–159):
 - (1) The CSR determines appropriate housing in keeping with departmental needs, safety and security, the inmate's placement score and administrative determinants. The three-letter codes from section 3375.2 shall be used to indicate the administrative determinants.

(A) Up to five administrative determinants may be entered in Boxes 134–148.

1. Reason for any administrative or irregular placement (Boxes 157–159).

2. Entered only if the facility's security level where the inmate is placed is not consistent with his/her placement score.

(B) Enter one of the administrative determinant's three-letter code from section 3375.2.

(2) CSR approval of an administrative or irregular placement (administrative determinant) is valid only as long as the inmate's placement score remains within the same facility security level as when the approval was given.

The factors and their related numerical weights used to recalculate an inmate's preliminary score or new preliminary score listed below. Box numbers appear to the right, but refer to the first box on the left of each field.

(a) Favorable behavior since last review (Boxes 46–51). The categories below provide favorable points for six-month intervals. For an annual reclassification review, two six-month periods may be counted. When an inmate's status is interrupted during the period without inmate fault, the period shall be considered continuous.

(1) For each six-month period of continuous minimum custody, four points shall be entered in Boxes 46–47.

(2) For each six-month period since the last review with no serious disciplinary(s), two points shall be entered in Boxes 48–49.

(3) For each six-month period with an average or above performance in work, school or vocational program, two points shall be entered in Boxes 50–51.

(A) Part-time assignments which when work/program hours are added together are equivalent to a full-time assignment shall be combined.

(B) Favorable points shall not be granted for average or above average performance for inmates who are not assigned to a program.

(b) Unfavorable behavior since last review (Boxes 52–69):

(1) For each serious misbehavior for which the inmate was found guilty during any six-month review period, apply eight points for a Division A-1 or A-2 offense; apply six points for a Division B, Division C, or Division D offense; apply four points for a Division E or Division F offense. Only misbehavior, which is equivalent to a serious rule violation as defined in section 3315, shall be recorded in Boxes 52–57. This includes behavior while in the county jail or conduct that occurred while the inmate was housed in another state or federal jurisdiction.

(A) Do not include any administrative rule violations.

(B) When the serious misbehavior also includes other factors listed in subsections (2) through (7) below, assess additional points for each applicable factor.

(2) For each battery on a nonprisoner or attempted battery on a nonprisoner during any six-month review period, eight points shall be entered in Boxes 58–59.

(A) Battery means any offense as described in section 3005(c) where criminal prosecution had, or would normally have, taken place.

(3) For each battery on an inmate or attempted battery on an inmate during any six-month review period, four points shall be entered in Boxes 60–61.

(A) Refers to situations where one or more inmates are clearly the victim. Usually results in some injury involving a group attack or some type of weapon.

(B) Do not include mutual combat where both inmates were co-responsible.

(4) For each incident involving the distribution of any controlled substance, per subsection 3323(c)(7), in an institution/facility or contract health facility, for distribution and sales, four points shall be entered in Boxes 62–63. Points shall not be assessed for personal use or possession of a small quantity of drugs, or being under the influence.

(5) For each well-documented serious misbehavior for possession of a deadly weapon where apparent use was intended, 16 points shall be entered in Boxes 64–65. Points shall not be assessed for possession of commonly available and unmodified objects, unless they were used as weapons and that fact is documented in the disciplinary report. Include possession of a razor blade

(whether modified or not) in a segregated program-housing unit (e.g., Administrative Segregation Unit, Security Housing Unit, Psychiatric Services Unit, etc.).

(6) For each serious disciplinary where the inmate led a facility riot, racial disturbance or work strike, four points shall be entered in Boxes 66–67. Include any willful and deliberate behavior, which may have led to violence or disorder, and any willful attempt to incite others, either verbally or in writing, or by other deliberate action, to use force or violence upon another person, of the type described in section 3005.

(7) For each battery that caused serious injury, 16 points shall be entered in Boxes 68–69. Inmates who conspired in or ordered such battery shall receive the same points.

(A) Serious injury is that which is defined in section 3000.

(B) Any attempted battery which may have been life threatening but circumstances such as heavy clothing prevented the homicide shall be included.

(c) Correction to CDC 840 Score Sheet (Prior to Rev. 07/02) (Boxes 70–72).

(1) Use this section to correct a CDC 840 Score Sheet with a form revision date prior to 07/02.

(2) Enter only the total correction to the score, either negative or positive, in boxes provided.

(d) Prior Preliminary Score (Boxes 73–75):

(1) The prior preliminary score is the calculated score that appears on the most current classification score sheet. Enter that value in Boxes 73–75.

(2) When the most current score appears on the CDC Classification Score Sheet, CDC Form 839, (Rev. 12/02), enter the value from that score sheet that is the preliminary score.

(3) When the most current score appears on the CDC Reclassification Score Sheet, CDC Form 840, (Rev. 12/02), enter the value from that score sheet that is the new preliminary score.

(4) When the most current score appears on the CDC Readmission Score Sheet, CDC Form 841, (Rev. 12/02), enter the value from that score sheet that is the new preliminary score.

(e) Net Change in Score (Boxes 76–78):

(1) Combine the total favorable points (item C.4.) with the total unfavorable points (item D.8). Enter the total as a plus or minus value for net change in score.

(f) Preliminary Score Subtotal:

(1) The prior preliminary score subtotal is the combined value of the prior preliminary score and the net change in score.

(2) Record this value on the line provided.

(3) Computations that result in a minus value shall be entered as zero.

(g) Change in term points (Boxes 79–81):

(1) When an inmate receives a new or additional sentence to prison, which changes the total term length, two points shall be added or subtracted for each year of difference between the new term and the old term. The resultant plus or minus figure is the change in term points.

(2) When the Board of Prison Terms establishes a parole date for an inmate with a life sentence:

(A) The total projected incarceration time in years and months is the term length.

(B) Multiply the total term length in years by two (2).

(C) Determine the difference between the new term points and the old term points. The resultant plus or minus figure is the change in term points.

(3) For parole violators: If a parole violator receives a new term after the CDC Form 841 (Rev. 12/02) has been endorsed, the prior term points shall be given a minus value and combined with new term points. The difference is the change in term points.

(4) Do not record a change in term points unless there is a change in the total term.

(h) Recalculation of the New Preliminary Score:

(1) The inmate's new preliminary score is entered in Boxes 82–84 and is the result of combining the preliminary score subtotal and any adjustments resulting from a change in term points as determined in subsection (g).

(2) Right-justify the total.

(3) Computations that result in zero or a minus value shall be entered as zero.

(i) Mandatory Minimum Score, Score Factors, and Score Factor Codes (Boxes 85–87):

(1) A mandatory minimum score is a score that is applied to an inmate who has a case factor that requires that he/she be housed no lower than a specific security level.

(2) A mandatory minimum score factor is a case factor that requires the application of a mandatory minimum score.

(3) A mandatory minimum score factor code is an alpha code associated with a mandatory minimum score factor.

(A) If an inmate has a case factor that requires the application of a mandatory minimum score factor code, enter the code that applies in Box 85.

(B) If one or more mandatory minimum score factors are present, determine which of the factors is associated with the highest score and enter that code in Box 85.

(C) Enter the mandatory minimum score that corresponds to the selected code in Boxes 86–87.

(j) Placement Score (Boxes 88–90).

(1) If there is no case factor requiring a mandatory minimum score, enter the new preliminary score as the placement score.

(2) If a mandatory minimum score is applied, and it is greater than the new preliminary score, enter the mandatory minimum score as the placement score.

(3) If a mandatory minimum score is applied, and it is less than the new preliminary score, enter the new preliminary score as the placement score.

(4) The placement score is one of the factors used to determine the security level to which the inmate is assigned.

(k) Classification Staff Representative (Boxes 115–188):

(1) The CSR determines appropriate housing in keeping with departmental needs, safety and security, the inmate's placement score and administrative determinants. The three-letter codes from section 3375.2 shall be used to indicate the administrative determinants.

(A) Up to five administrative determinants may be entered in Boxes 159–177.

1. An asterisk (*) shall be placed in the box adjacent to each administrative determinant, which is being removed (i.e., no longer valid).

2. Reason for administrative or irregular placement (Boxes 186–188).

(B) Entered only if the facility's security level where the inmate is placed is not consistent with the inmate's placement score.

(C) Enter one of the administrative determinant's three-letter code from section 3375.2.

(2) CSR approval of an administrative or irregular placement is only valid as long as the inmate's placement score remains within the same facility security level score range as when the approval was given.

3375.5. CDC Readmission Score Sheet, CDC Form 841, Calculation.

The factors and their related numerical weights used to recalculate an inmate's preliminary score upon readmission to the department are listed below. Box numbers appear to the right, but refer to the first box on the left of each field.

(a) Favorable behavior since last review (Boxes 48–53). The categories below provide favorable points for six-month intervals. When an inmate's status is interrupted during the period without inmate fault, the period shall be considered continuous.

(1) For each six-month period of continuous minimum custody, four points shall be entered in Boxes 48–49.

(2) Apply one-half favorable behavior points for less than a full six-month review period.

(3) Unfavorable behavior points shall be assessed at full value.

(B) For each six-month period since the last review with no serious disciplinary, two points shall be entered in Boxes 50–51.

(C) For each six-month period with an average or above performance in work, school or vocational program, two points shall be entered in Boxes 52–53.

1. Part-time assignments which, when work and program hours are added together, are equivalent to a full-time assignment shall be combined.

2. Favorable points shall not be granted for average or above performance for inmates who are not assigned to a program.

(b) Unfavorable behavior since last review (Boxes 54–71):

(1) For each serious misbehavior for which the inmate was found guilty during a six-month review period, apply eight points for a Divisions A-1 or A-2 offense; apply six points for a Division B, Division C, or Division D offense; apply four points for a Division E or Division F offense in Boxes 54–59. Only misbehavior that is equivalent to a serious rule violation, as defined in section 3315, shall be recorded. This includes behavior while in the county jail or conduct that occurred while the inmate was housed in another state or federal jurisdiction.

(A) Do not include any administrative rule violations.

(B) When the serious misbehavior also includes other factors listed in subsection (2) through (7) below, assess additional points for each applicable factor.

(2) For each battery on a non-prisoner or attempted battery on a non-prisoner during any six-month review period, eight points shall be entered in Boxes 60–61.

(3) Battery means any offense as described in section 3005(c) where criminal prosecution had, or would normally have taken place.

(4) For each battery on an inmate or attempted battery on an inmate during any six-month review period, four points shall be entered in Boxes 62–63.

(A) Refers to situations where one or more inmates are clearly the victim. Usually results in some injury involving a group attack or some type of weapon.

(B) Do not include mutual combat where both inmates were co-responsible.

(5) For each incident involving the distribution of any controlled substance, per subsection 3323(c)(7), in an institution/facility or contract health facility, for distribution and sales, four points shall be entered in Boxes 64–65. Points shall not be assessed for personal use or possession of a small quantity of drugs, or being under the influence.

(6) For each well-documented serious disciplinary for possession of a deadly weapon where apparent use was intended, 16 points shall be entered in Boxes 66–67. Points shall not be assessed for possession of commonly available and unmodified objects, unless they were used as weapons and that fact is documented in the disciplinary report. Include possession of a razor blade

(whether modified or not) in a segregated program-housing unit (e.g., Administrative Segregation Unit, Security Housing Unit, Psychiatric Services Unit, etc.).

(7) For each serious disciplinary where the inmate led a facility riot, racial disturbance or work strike, four points shall be entered in Boxes 68–69. Include any willful and deliberate behavior that may have led to violence or disorder, and any willful attempt to incite others, either verbally or in writing, or by other deliberate action, to use force or violence upon another person, of the type described in section 3005.

(8) For each battery that caused serious injury, 16 points shall be entered in Boxes 70–71. Inmates who conspired in or ordered the battery shall receive the same points.

(A) Serious injury is that which is defined in section 3000.

(B) Any attempted battery which may have been life threatening but circumstances such as heavy clothing prevented the homicide shall be included.

(c) Prior Preliminary Score (Boxes 75–77):

(1) The prior preliminary score is the calculated score that appears on the most current classification score sheet. Enter that value in Boxes 75–77.

(2) When the most current score appears on the CDC Form 839 (Rev. 12/02), CDC Classification Score Sheet, enter the value from that score sheet that is the preliminary score.

(3) When the most current score appears on the CDC Form 840, (Rev. 12/02), CDC Reclassification Score Sheet, enter the value from that score sheet that is the new preliminary score.

(4) When the most current score appears on the CDC Form 841, (Rev. 12/02), CDC Readmission Score Sheet, enter the value from that score sheet that is the new preliminary score.

(d) Net Change in Score (Boxes 78–80):

Combine the total favorable points (Item C.4.) with the total unfavorable points (Item D.8.). Enter the total as a plus or minus value for net change in score.

(e) Preliminary Score Subtotal

(1) The prior preliminary score subtotal is the combined value of the prior preliminary score and net change in score.

(2) Record this value on the line provided.

(3) Computations that result in a minus value shall be entered as zero.

(f) Change in term points (Boxes 81–83):

(1) If, during reception center processing, the inmate has been designated as a PVRTC, do not enter a value. This area is left blank for an inmate who has returned as a parole violator without a new term.

(2) If, subsequent to reception center processing, the parole violator receives a new term, record the change in term points, if any, on a CDC Form 840 (Rev. 12/02), Reclassification Score Sheet, as a result of this new term. Do not correct the CDC Form 841.

(3) If, during reception center processing, the inmate has been designated as a PVWNT, the prior term points shall be given a minus value and combined with the new term points. To determine the new term points, multiply the number of whole years times two. Drop months from the calculation.

(4) Any term point adjustments that may have been recorded on a previous CDC Form 840 or CDC Form 841 must also be taken into consideration to determine the final total change in term points.

(5) Determine the difference between the new term points and the old term points. The resultant plus or minus figure is the change in term points.

(6) A change in the term points is recorded only if there is a change in the total term length.

(g) New Preliminary Score (Boxes 84–86):

(1) The inmate's new preliminary score is the result of combining the preliminary score subtotal with the change in term points (if any).

(2) Right-justify the total.

(3) Computations that result in zero or a minus value shall be entered as zero.

(h) Mandatory Minimum Score, Score Factors, and Score Factor Codes (Boxes 88–89):

(1) A mandatory minimum score is a score that is applied to an inmate who has a case factor that requires that he/she be housed no lower than a specific security level.

(2) A mandatory minimum score factor is a case factor that requires the application of a mandatory minimum score.

(3) A mandatory minimum score factor code is an alpha code associated with a mandatory minimum score factor.

1. If an inmate has a case factor that requires the application of a mandatory minimum score factor code, enter the code that applies in Box 87.

2. If one or more mandatory minimum score factors is present, determine which of the factors is associated with the highest score and enter that code in Box 87.

3377.2. Criteria for Assignment of Close Custody.

(a) Close Custody: Upon review of an inmate’s case factors and need for supervision, the classification committee shall establish a Close Custody designation in accordance with the following case considerations when it determines that the inmate meets case factor criteria for either Close A Custody as listed in section 3377.2(b) or for Close B Custody as listed in section 3377.2(c).

(1) The case factors to be considered in assigning Close Custody include, but are not limited to, the following:

- (A) the inmate’s total term, sentence, or remaining time-to-serve;
- (B) the inmate’s escape history;
- (C) identification of a management concern;
- (D) receipt of an active law enforcement felony hold;
- (E) a finding of guilt for a serious Rules Violation Report (RVR) (see section 3315);
- (F) an inmate who is considered to be High Notoriety or is designated as a Public Interest Case.

(2) Departmental Review Board (DRB) approval is required to assign a Close Custody designation to an inmate who does not meet the case factor criteria established in this section. Authorization for the DRB shall be required before extending a Close Custody designation beyond the time constraints established for the most similar group of sentences.

(3) Custody determination shall be based on information available at the time of review. An ICC may temporarily assign a Close Custody designation to an inmate, for a maximum of ninety (90) days, pending receipt of documents or verification of information needed to make a final determination.

(4) Any inmate being evaluated for reduction of Close Custody shall demonstrate a record of disciplinary-free behavior and compliance with behavioral expectations, such as positive programming and participation for the last 12 months prior to the review.

(5) The Annual Classification Committee review shall include consideration of custody reduction.

(6) When calculating the time to be served in Close Custody in accordance with the case factor criteria, a classification committee shall count an inmate’s behavior conforming to minimum expect-

tations in the California Youth Authority (CYA) prior to the inmate's placement in CDC during the inmate's current term.

(7) When calculating the time served in Close Custody in accordance with case factor criteria, a classification committee shall not include periods of time that an inmate was serving a determinate or indeterminate term in Security Housing Unit (SHU) or in Administrative Segregation Unit (ASU) or any segregated program housing unit.

(8) In cases involving an escape, the date of the escapee's return to CDC custody shall be the starting date to be used in calculating the start of the Close Custody time frame.

(9) An inmate who meets the Close Custody case factor criteria and who also has a documented health care or disability special housing need, which cannot be reasonably accommodated in the existing facility shall be referred by classification committee to the Classification Staff Representative (CSR) for transfer consideration.

(10) An inmate who is identified to be a management concern shall be ineligible for custody reduction consideration below Close B Custody. Upon review and determination that an inmate no longer presents a management concern, a Unit Classification Committee shall refer the case to Institutional Classification Committee (ICC) for review. The ICC may remove the identification of the inmate as a management concern based on consideration of the inmate's long-term positive programming, evaluation of the inmate's behavior in custody, and determination that the inmate no longer presents a continuing threat to public safety warranting Close B Custody.

(11) The classification committee is to consider the inmate's length of term or remaining time to serve in light of the inmate's escape history. An inmate with an escape history shall serve the longest required amount of time before becoming eligible for custody reduction below Close A Custody and shall also serve the longest required amount of time before being eligible for custody reduction below Close B Custody.

(12) An inmate who meets more than one Close A Custody case factor shall be designated Close A Custody for the longest required amount of time before becoming eligible for Close B Custody consideration.

(13) An inmate who meets more than one case factor for Close B Custody shall serve the longest required amount of time before he or she is to be eligible for consideration of further custody reduction.

(14) An inmate who is ineligible for further custody reduction based on any exclusionary case factor shall be precluded from further custody reduction.

(15) Upon classification committee review and determination that an inmate meets the Close Custody criteria, the inmate shall be designated Close Custody and shall be required to complete established time frames for Close A Custody and Close B Custody in compliance with Sections 3377.2(b) and 3377.2(c). Neither the inmate's projected date of release nor the inmate's earliest possible release date shall override established time frames.

(16) A classification committee may on a case-by-case basis consider for Medium A Custody an inmate who otherwise meets the Close Custody criteria [e.g., the minimum time periods for Close A and Close B Custody provided in subsections (b) and (c)] and who has been in CDC custody before March 2000 serving his or her instant offense. The inmate may retain Medium A Custody if the classification committee determines that the inmate's current housing, program, and in-custody behavior do not substantiate a need for supervision and restrictive housing at the level of Close Custody and one of the following conditions are met:

(A) The inmate has already demonstrated positive programming for an equal or greater period of time at a less restrictive degree of custody during his or her present commitment and a classification committee has determined that the inmate has no

history of escape, is not a management concern, is not an LWOP, and has no active law enforcement hold.

(B) The inmate was not designated Close Custody upon initial period of incarceration and has since served more than half of the required amount of time for Close Custody at a less restrictive degree of custody, and a classification committee has determined that the inmate has no history of escape, has no active law enforcement hold, is not an LWOP, and is not a management concern.

(C) The inmate is sentenced to a single Life term and has less than two years to be within seven years of MEPS and a classification committee has determined that the inmate does not demonstrate a significant risk of escape, has no history of escape, is not a management concern, and has no active law enforcement hold.

(b) Close A Custody Case Factor Criteria: An inmate who meets any of the Close A Custody case factor criteria described in this subsection shall be assigned to Close A Custody.

After initial five years at Close A Custody, the inmate shall be eligible to be considered for custody reduction to Close B Custody.

Close A Custody is required during the inmate's remaining Total Term after release from SHU. Custody shall not be reduced from Close A Custody.

(B) An inmate found guilty of an in-custody Murder of an Inmate or convicted of an in-custody Murder of an Inmate within the last six (6) years shall serve at least the subsequent six (6) years at Close A Custody following release from SHU before he or she shall be eligible for consideration of further custody reduction.

3378. Documentation of Critical Case Information.

(a) Any information regarding an inmate/parolee which is or may be critical to the safety of persons inside or outside an institution shall be documented as required below on a CDC Form 812 (Rev. 8/01), Notice of Critical Case Information-Safety of Persons (Nonconfidential Enemies); a CDC Form 812-A (Rev. 9/92), Notice of Critical Information-Prison Gangs Identification; CDC Form 812-B (9/92), Notice of Critical Information-Disruptive Group Identification; and CDC Form 812-C (Rev. 8/01), Notice of Critical Information-Confidential Enemies. The CDC Forms 812, 812-A, 812-B, and 812-C and all documents referred to on the forms shall be filed in the central file of each identified inmate/parolee. Any confidential material affecting the critical case factors of an inmate/parolee shall conform to the provisions of section 3321. Entries on these forms shall not be a substitute for detailed documentation required elsewhere in the central file.

(b) A CDC Form 812, and when applicable a CDC Form 812-C, shall be completed for each newly committed or returned inmate/parolee.

(1) The CDC Forms 812 and 812-C shall be updated as any critical information becomes known and is documented in the inmate/parolee's central file. The forms shall also be reviewed and updated at the time of any change in the inmate/parolee's status or placement.

(2) Any inmate/parolee who claims enemies shall provide sufficient information to positively identify the claimed enemy. Any inmate/parolee identified as an enemy shall be interviewed unless such interview would jeopardize an investigation or endan-

ger any person. The results of the interview or investigation which supports, verifies or disproves the information shall be documented on a CDC Form 128-B, General Chrono.

(c) Gang involvement allegations shall be investigated by a gang coordinator/investigator or their designee.

(1) CDC Form 812-A or B shall be completed if an inmate/parolee has been verified as a member, associate, or dropout of a gang (prison gang or disruptive group) as defined in section 3000, or has safety concerns relating to gangs.

(2) Information entered onto the CDC Form 812-A or B shall be reviewed and verified by the gang coordinator/investigator to ensure that the identification of an inmate/parolee as a gang member or associate, or as having safety concerns is supported by at least three independent source items in the inmate/parolee's central file. The independent source items must contain factual information or, if from a confidential source, meet the test of reliability established in section 3321. The verification of an inmate/parolee identified as a gang dropout shall require a formal debriefing conducted or supervised by a gang coordinator/investigator.

(3) A member is an inmate/parolee who has been accepted into membership by a gang. This identification requires at least (3) independent source items of documentation indicative of actual membership.

(4) An associate is an inmate/parolee who is involved periodically or regularly with members or associates of a gang. This identification requires at least three (3) independent source items of documentation indicative of association with validated gang members or associates.

(5) A dropout is an inmate/parolee who was either a gang member or associate and has discontinued gang affiliation. This identification requires the inmate/parolee to successfully complete the debriefing process.

(6) The verification of an inmate/parolee's gang identification shall be validated or rejected by the assistant director, law enforcement and investigations unit (LEIU), or a designee. The validation and/or rejection of evidence relied upon shall be documented on a CDC Form 128-B2, Gang Validation/Rejection Review, and forwarded to the facility or parole region of origin for placement in the inmate/parolee's central file. Upon receipt of the CDC Form 128-B2, the Classification and Parole Representative or Parole Administrator I, or their designee, shall clearly note in some permanent manner upon the face of every document whether or not the item met validation requirements.

(7) The CDC Forms 812-A and 812-B shall be reviewed by a classification committee at each annual hearing and upon any review for transfer consideration. This shall be documented on a CDC Form 128-G, Classification Chrono. Questionable gang identifications, notations, or new information shall be referred to the gang coordinator/investigator for investigation.

(8) The determination of a gang identification shall reference each independent source item in the inmate/parolee's central file. The sources shall be based on the following criteria:

(A) Self admission.

(B) Tattoos and symbols. Body markings, hand signs, distinctive clothing, graffiti, etc., which have been identified by gang coordinators/investigators as being used by and distinctive to specific gangs.

(C) Written material. Any material or documents evidencing gang affiliation such as the membership or enemy lists, constitutions, organizational structures, codes, training material, etc., of specific gangs.

(D) Photographs. Individual or group photographs with gang connotations such as those, which include insignia, symbols, or validated gang affiliates.

(E) Staff information. Documentation of staff's visual or audible observations, which reasonably indicate gang affiliation.

(F) Other agencies. Information evidencing gang affiliation provided by other agencies. Verbal information from another agency shall be documented by the staff person who receives such information, citing the source and validity of the information.

(G) Association. Information related to the inmate/parolee's association with validated gang affiliates.

(H) Informants. Documentation of information evidencing gang affiliation from an informant shall indicate the date of the information, whether the information is confidential or nonconfidential, and an evaluation of the informant's reliability. Confidential material shall also meet the requirements established in section 3321.

(J) Legal documents. Probation officer's report or court transcripts evidencing gang affiliation.

(K) Visitors. Visits from persons who are documented as gang "runners" or community affiliates, or members of an organization which associates with a gang.

(L) Communications. Documentation of telephone conversations, mail, notes, or other communication, including coded messages evidencing gang affiliation.

(M) Debriefing reports. Documentation resulting from the debriefing required by (c)(2), above.

(d) An inmate housed in the general population as a gang member or associate may be considered for review for inactive status when the inmate has not been identified as having been involved in gang activity for a minimum of two (2) years. Verification of an inmate's inactive status shall be approved or rejected by the LEIU assistant director or a designee. The approval or rejection shall be forwarded for placement in the inmate's central file. The Institution Classification Committee shall review and consider this determination at the next hearing and upon review for transfer consideration.

(e) An inmate housed in a security housing unit (SHU) as a gang member or associate may be considered for review for inactive status by the Departmental Review Board when the inmate has not been identified as having been involved in gang activity for a minimum of six (6) years. The approval or rejection shall be forwarded for placement in the inmate's central file.

(f)(1) A gang member or associate, who is categorized as inactive and released from a SHU, may be removed from the general population or any other placement based upon one reliable source item identifying the inmate as an active gang member or associate. The source item must identify the inmate as a gang member or associate based on information developed after his or her release from SHU. The source item need not be confidential, but must meet the test of reliability established at section 3321.

(f)(2) The procedures relating to the initial validation or rejection of gang members or associates as described in this section shall be followed when reviewing the present status of an inactive gang member or associate. Verification of an inmate's active status shall be approved or rejected by the assistant director, LEIU, or a designee. This determination shall be forwarded for placement in the inmate's central file.

(f)(3) A classification committee is authorized to return an inmate to a SHU based upon the restoration of the inmate's gang status and a determination that the inmate's present placement

endangers institutional security or presents a threat to the safety of others. As provided at section 3341.5, placement in a SHU requires approval by a classification staff representative.

3378.1. Debriefing Process.

(a) Debriefing is the process by which a gang coordinator/investigator determines whether an inmate/parolee (subject) has dropped out of a gang. A subject shall be debriefed only upon his or her request, although staff may ask a subject if he or she wants to debrief. Debriefing shall entail a two-step process that includes an interview phase and an observation phase.

(b) The purpose of debriefing interview is to provide staff with information about the gang's structure, activities and affiliates. A debriefing is not for the purpose of acquiring incriminating evidence against the subject. The object of a debriefing is to learn enough about the subject and the subject's current gang to: (1) allow staff to reasonably conclude that the subject has dropped out of the gang, and (2) allow staff to reclassify the subject based upon the inmate's needs in conjunction with the security of the institution, as well as, the safety and security of staff and other inmates.

(c) SHU inmates undergoing the debriefing process shall be subject to a period of observation in a segregated housing setting with other inmates who are also undergoing the debriefing process. The period of observation shall be no greater than 12 months.

(d) Upon completion of the debriefing process, the inmate shall be housed in a facility commensurate with the inmate's safety needs. In the absence of safety needs, the inmate shall be housed in a facility consistent with his or her classification score.

HISTORY:

1. New section filed 8-30-99 as an emergency; operative 8-30-99 (Register 99, No. 36). Pursuant to Penal Code section 5058(e), a Certificate of Compliance must be transmitted to OAL by 2-8-2000 or emergency language will be repealed by operation of law on the following day.
2. Certificate of Compliance as to 8-30-99 order transmitted to OAL 2-7-2000 and filed 3-21-2000 (Register 2000, No. 12).

3378.2. Advisement of Rights During Debriefing.

A waiver of the right against self-incrimination is not a precondition of an inmate/parolee (subject) undergoing a debriefing since the information is provided for administrative purposes. A subject shall not be required to complete the debriefing process and the subject is free to terminate the debriefing at any time. If, during a debriefing, a subject makes a statement that tends to incriminate the subject in a crime, the gang coordinator/investigator may stop any discussion about the matter and continue on with another topic. Prior to questioning the subject about the incriminating matter, the subject must waive the right against self-incrimination. The decision by the subject to exercise the right against self-incrimination shall not affect the determination of whether the subject successfully participated in the debriefing.

NOTE: Authority cited: Section 5058, Penal Code. Reference: Sections 5054 and 5068, Penal Code; *Sandin v. Connor* (1995) 515 U.S. 472; *Madrid v. Gomez* (N.D. Cal. 1995) 889 F.Supp. 1146; and *Toussaint v. McCarthy* (9th Cir. 1990) 926 F.2d 800.

HISTORY:

1. New section filed 8-30-99 as an emergency; operative 8-30-99 (Register 99, No. 36). Pursuant to Penal Code section 5058(e), a Certificate of Compliance must be transmitted to OAL by 2-8-2000 or emergency language will be repealed by operation of law on the following day.
2. Certificate of Compliance as to 8-30-99 order transmitted to OAL 2-7-2000 and filed 3-21-2000 (Register 2000, No. 12).

3379. Inmate Transfers.

- (a) Transfer requirements.

(1) Any inmate transfer from a facility other than a reception center shall require a classification committee action and endorsement by a classification staff representative (CSR). In the cases of civil addicts transferring to community correctional facilities and illegal aliens transferring for the purpose of deportation proceedings, the Classification and Parole Representative (C&PR) may endorse such cases following the classification committee action.

(2) An inmate for whom a recall of commitment report under provisions of Penal Code Section 1170(d) is required, shall not be transferred, unless for emergency medical treatment, until the report is completed. Reception center process cases shall be excluded from this provision.

(3) Except in emergencies or for special housing, inmates shall not be transferred within 90 days of their release date, or within 90 days of a Board of Prison Terms (BPT) appearance. If a case requires transfer within the 90-day period, the appropriate BPT report shall be completed by the sending institution prior to the transfer.

(4) A warden or superintendent may temporarily suspend a scheduled inmate transfer. Such suspension shall constitute a classification action and be recorded on a chrono as provided by section 3375(a)(2) of these regulations, including the reason for the action and a recommendation for an alternative program assignment.

(5) If an inmate has not transferred within 30 days of CSR endorsement, the sending institution shall report that fact to the Chief, Classification Services who shall either direct the institution to proceed with the transfer or present the case to the next CSR for alternative action.

(6) Transfer to another state. Transfer of a California prison inmate to an out-of-state prison facility shall not occur prior to the inmate signing a CDC Form 294, Interstate Compact Placement Agreement, witnessed by the institution head or delegate.

(7) Transfer to a federal prison. Transfer of a California prison inmate to a federal prison facility shall not occur until:

(A) The inmate has been informed of the right to private consultation with an attorney their choice concerning rights and obligations pursuant to Penal Code section 2911.

(B) The warden or superintendent or delegate has witnessed the inmate's signing of a Federal Prison System Placement Agreement consent form and an acknowledgement of having been informed regarding rights and obligations.

(8) An inmate may, prior to scheduled transfer, revoke their consent to transfer to out-of-state or federal prison.

(b) Placement in level. An inmate endorsed for any level placement and transferred to an institution with several levels shall be placed in the endorsed level facility within 60 days of arrival or shall be referred to the next scheduled CSR for alternative action. A warden or superintendent may temporarily place an inmate in a facility of an institution for which the inmate has not otherwise been endorsed. Such placement shall not exceed 30 days without CSR review and approval. Reasons for such placement may include protection or medical needs of the inmate, an incomplete investigation, disciplinary action, court proceedings, or a pending transfer.

(c) Disciplinary and security factors. Prior to transfer of an inmate, the sending institution shall resolve any matters related to incomplete disciplinary punishment or establishment or establishment of a determinate period to be served in a SHU at the receiving facility. Disciplinary detention shall be completed, suspended, or commuted to time served. If a transfer related to misbehavior does not require SHU placement but the inmate is transferred to an institution of higher level than indicated by the inmate's classification score, the endorsing CSR shall establish a date for follow-up review by the receiving institution.

- (d) Medical and psychiatric transfer.

(1) The sending institution shall, prior to any medical or psychiatric transfer, determine whether the inmate has enemies or might be in danger at the receiving facility, and shall:

(A) Inform staff of the receiving facility by telephone prior to the transfer regarding any precautions needed to protect the inmate.

(B) Make an alternate institutional transfer arrangement, which will not jeopardize the inmate.

(2) An inmate transferred to CMF for psychiatric treatment because of acute mental illness requiring inpatient psychiatric hospitalization or because of the recency of a major mental illness or when in partial remission of such illness, is entitled to a hearing regarding the necessity for transfer. Upon arrival at CMF, such inmate shall be served with a Notice of Transfer to California Medical Facility for Mental Health Treatment, which shall explain the inmate's rights. The inmate may sign the notice waiving his right to a hearing or if opposed to the transfer, may request a hearing.

(3) The hearing shall be held within seven days from arrival at CMF. If the hearing cannot be held within seven days, the inmate shall be informed in writing of that fact, the reason for the delay, and of an estimated date he may expect the hearing. The hearing shall consist of a classification committee review of the case and shall include the following:

(A) Determination that the inmate has received written notice of the transfer to CMF stating that the inmate has a right to a hearing and that such hearings are normally held within seven days after arrival at CMF.

(B) The information relied upon in ordering the transfer to CMF shall be disclosed to the inmate. The inmate shall be heard in person and be permitted to present evidence, including witnesses, in his behalf.

(C) One member of the classification committee shall be a psychiatrist employed by the Department of Corrections. This person shall be an independent decision maker and shall not be the inmate's treating psychiatrist at either the sending or receiving institution.

(D) Following the hearing, the independent decision maker shall inform the inmate in writing of the committee's decision and the information relied upon in arriving at the decision.

(E) The inmate may appeal the decision. A ruling on such appeal shall be returned within 20 working days.

(4) Periodic clinical progress reports on a CDC Form 128-C shall be made at least quarterly. A summary CDC Form 128-C report, classification action and CSR endorsement are required when an inmate's program category is changed.
